Laffirmations 1001 Ways To Add Humor To Your Life And Work:

Laffirmations Joel Goodman, 1995-04 This rich collection of quotes delivers 52 weeks of ideas to strengthen your sense of humor Each day of the year includes a thought provoking quotation or question designed to help readers discover where humor already exists in their lives and where they need to add a dash Includes quotes by Bill Cosby Lily Tomlin Jerry Seinfeld and many others *Cracking Up* Paul Lewis, 2006-10-02 What do Jon Stewart Freddy Krueger Patch Adams and George W Bush have in common As Paul Lewis shows in *Cracking Up* they are all among the ranks of joke tellers who aim to do much more than simply amuse Exploring topics that range from the sadistic mockery of Abu Ghraib prison guards to New Age platitudes about the healing power of laughter from jokes used to ridicule the possibility of global climate change to the heartwarming performances of hospital clowns Lewis demonstrates that over the past thirty years American humor has become increasingly purposeful and embattled Navigating this contentious world of controversial manipulative and disturbing laughter *Cracking Up* argues that the good news about American humor in our time that it is delightful relaxing and distracting is also the bad news In a culture that both enjoys and quarrels about jokes humor expresses our most nurturing and hurtful impulses informs and misinforms us and exposes as well as covers up the shortcomings of our leaders Wondering what's so funny about a culture determined to laugh at problems it prefers not to face Lewis reveals connections between such seemingly unrelated jokers as Norman Cousins Hannibal Lecter Rush Limbaugh Garry Trudeau Jay Leno Ronald Reagan Beavis and Butt Head and Bill Clinton The result is a surprising alarming and at times hilarious argument that will appeal to anyone interested in the ways humor is changing our cultural and political landscapes **If These Are Laugh Lines, I'm Having Way Too Much Fun** , This collection of 45 short humorous essays is for anyone who has ever been annoyed or amused by the modern world From everyday frustrations like those in *It was Here a Minute Ago* about misplacing keys and favorite recipes to more eccentric experiences like those in *How I Found God in Limbo Land* about sharing a Bermuda resort with evangelical square dancers Rose Mula knows how to laugh at herself and the world she inhabits *301 More Ways to Have Fun At Work* Dave Hemsath, 2001-03-12 People who enjoy their work are more productive creative and have higher levels of job satisfaction This guide combines research with hands on tools for injecting fun into the work environment Professors Are from Mars®, Students Are from Snickers® Ronald A. Berk, 2023-07-03 Professors and students seem to come from different planets or candy bars Barriers frequently exist that impede their communication such as age income and cholesterol level Humor can break down these barriers so that professors can better connect with their students and other audiences It can be used as a teaching tool to facilitate learning Ron Berk describes and illustrates a wide variety of techniques that can be integrated systematically into instruction and professional presentations For professors who consider themselves as jocularly arthritic this book moreover provides a special feature it is close captioned for the humor impaired Berk's techniques are the product of ten years of inadequate development testing

and research But why take the author s words at their face value Consider the testimonials of those who have actually attempted these methods in their own classes and presentations Before I tried Ron s methods in my philosophy class I had an attendance problem Now no one comes to class H I Slot Machine U Nevada Applying humor to my engineering courses led me to understand the meaning of humiliation and rejection J K Toyota College Kentucky **Becoming Free** Christy Monson,2013-09-17 Throughout our lives we tend to build up armor that inhibits our growth Our armor comes in many disguises depression self deprecation or the inability to act We often create our own armor our own protection unique to us but this protection actually stops our growth and the abundant live we each seek An abundant and happier life can be yours but you must identify and release the obstructions that keep you from the wisdom and wealth you want Christy Monson a successful family therapist for over thirty years has written *Becoming Free* to help you achieve your goals and find deeper happiness in your life *Becoming Free* is a step by step book to help you to shed your armor expand your optimistic thinking and enhance your ability to give and receive Once you become free of the armor you ve built around you to protect yourself you ll find the abundant life you have always sought *Some Days You're the Pigeon.
