Investigación, conservación y manejo del patrimonio cultural sumergido en México Coordinadores Pedro López Garrido,Laura Carrillo Márquez,2022-06-30 La variedad de estudios que conforman este libro es reflejo de la diversidad patrimonial que yace en aguas de nuestro país y dejan de manifiesto la cantidad de análisis pendientes en cada uno de los temas y realidades académicas que convergen en esta disciplina A fin de continuar con esta tarea es de suma importancia la formación de recursos humanos y la consolidación de grupos de investigación     **Deception** Steven Winer,2018-09-18 Joseph Hyland a real estate developer during the real estate boom in the early 2000s partnered with Josef Rynsburger a Dutch investor and a Dutch bank whose president was Hagan Vinke to construct six high end developments in Florida Hyland's partnership with its connection with the Dutch bank borrowed over 1.5 billion for the development of their projects Both Rynsburger and Vinke created several deceptions to defraud Hyland out of his profits Vinke as the president of the Dutch bank also deceived both Hyland and Rynsburger because of his greed along with concerns that some or all the developments would fail as the real estate boom dissipated Those deceptions along with other creative deceptions by individuals involved with the developments caused not only several murders but also the largest foreclosure in the history of Southwest Florida in the amount of just under 1 billion Deception takes the reader into the mystery of solving the deaths and where all the diverted money disappeared as well as unraveling the deceptions to determine who becomes a millionaire who loses everything or even worse
