## Lamour Dure Trois Ans:

Love Lasts Three Years Kerry M. Harwin,2005 , Degenerative Realism Christy Wampole,2020-06-23 A new strain of realism has emerged in France The novels that embody it represent diverse fears immigration and demographic change radical Islam feminism new technologies globalization American capitalism and the European Union but these books often best sellers share crucial affinities In their dystopian visions the collapse of France Europe and Western civilization is portrayed as all but certain and the literary mode of realism begins to break down Above all they depict a degenerative force whose effects on the nation and on reality itself can be felt Examining key novels by Michel Houellebecq Fr d ric Beigbeder Aur lien Bellanger Yann Moix and other French writers Christy Wampole identifies and critiques this emergent tendency toward degenerative realism She considers the ways these writers draw on social science the New Journalism of the 1960s political pamphlets reportage and social media to construct an atmosphere of disintegration and decline Wampole maps how degenerative realist novels explore a world contaminated by conspiracy theories mysticism and misinformation responding to the internet age s confusion between fact and fiction with a lament for the loss of the real and an unrelenting emphasis on the role of the media in crafting reality In a time of widespread populist anxieties over the perceived decline of the French nation this book diagnoses the literary symptoms of today s reactionary revival

### *Music in Contemporary French Cinema* Phil Powrie,2017-06-29

This book explores composed scores and pre existing music in French cinema from 1985 to 2015 so as to identify critical musical moments It shows how heritage films construct space through music generating what Powrie calls third space music while also working to contain the strong women characters found in French heritage films through the use of leitmotifs and musical cues He analyses fiction films in which the protagonists perform at the piano showing how musical performance supports the performance of gender Building on aspects of musical performance and in particular the use of songs performed in films Powrie uses a database of 300 films since 2010 to theorize the intervention of music at critical moments as a crystal song Applying Roland Barthes s concept of the punctum and Gille Deleuze s concept of the crystal image Powrie establishes the importance of the crystal song which reconfigures time as a crystallization of past present and future

### *Literature and*

*Intoxication* Eugene Brennan, Russell Williams, 2016-04-29 This collection traces the intersection between writing and intoxication from the literary to the theoretical exploring a diversity of experiences of excess Comprising a variety of perspectives this book offers unique insights into how politics and literature have been shaped by states of intoxication

**Historical Dictionary of French Literature** John Flower, 2022-05-15 With the possible exception of Great Britain France can justifiably lay claim to possess the richest literary history of any country in Western Europe This book covers the authors and their works literary movements and philosophical and social developments that have had a direct impact on style or content and major historical events such as the two world wars the Franco Prussian War the Algerian War or the events of May 1968 that are directly reflected in a substantial body of imaginative writing Historical Dictionary of French Literature Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on individual writers and key texts significant movements groups associations and periodicals and on the literary reactions to major national and international events such as revolutions and wars This book is an excellent resource for students researchers and anyone wanting to know more about French literature
