Lamp Of Harmony:

Lamp of Harmony Rudy Pizarro, 2005-06 Lamp of Harmony's main purpose is the achievement of harmony by the individual and by the world. It is a soul searching book yet the object of your search is as plain as the earth around you. However, if you do not see it, you are not alone. You look but do not see, you hear but do not understand, for your hearts are fat and heavy. Jesus said: This book will tell you what that object is and how to get it in you. *Catalog* Sears, Roebuck and Company, 1961 **The Uttermost Star** Frank Boreham, 1919 Frank Boreham was a master of storytelling, his love of nature and experiences of life providing an array of topics published in collections such as this. Blessed with a gift for drawing all manner of interesting reflections from everyday things, Boreham builds stories out of slippers, holly trees, a visit to the doctor, the scent of perfume and the verdant fields near a village. Peppering his passages with wisdom and folksy observations plus snatches of poetic verse, the sum of the author's efforts are heartwarming anecdotes and musings of lasting appeal. Popular for decades in the early 20th century, Boreham retains a devoted audience to this day, his love of life and nature an eternal draw. The author worked as a pastor in England and Australia, the contrasting cultures and landscapes and the journeys he took betwixt and between were fertile ground for inspiration. His clergyman trade provided yet more sustenance for writing in order to do his job well. Boreham had to cultivate wisdom to properly serve and assure members of his church community, humane qualities which are displayed in so many of his books. *Automotive Engineering*, 1917 **Automotive Industries, the Automobile**, 1917 **Manual Arts in the Junior High School, St. Cloud Public Schools** John Frank Friese, 1925 International Music and Drama, 1914 *New Outlook*, 1923 **Adventures of the Angels** Lew Duffey, 2007-04-04 When we die, we all hope we go to Heaven.
