International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences, 2005 *Thinking to Transform* Jillian M. Volpe White, Kathy L. Guthrie, Maritza Torres, 2019-12-01 In an era of constant connection it can be challenging to prioritize time for reflection Taking time to think can feel like a luxury or even a waste of time People facilitating complex leadership processes may feel the least able to pause and reflect However it is through intentional reflection that we make meaning of experiences connect ideas question assumptions and generate innovative possibilities By taking time to reflect individually and with others learners can see the full picture of an experience understand their thought processes and enhance their capacity for leadership Beyond individual reflection by engaging in reflection on social issues with others leaders can be empowered and enabled to create positive changes This book is a clarion call for educators and learners to make reflection a central priority Reflection the process of making meaning of experience and leadership a relational process for affecting change are enhanced by one another Together they strengthen the potential for leadership learning through experience This book addresses challenges for reflection in leadership learning while also connecting it to timely topics It begins with connections between reflection and leadership and then introduces a framework for reflection in leadership learning Reflection is a powerful strategy curricular and co-curricular learning for instruction and assessment reflection in leadership learning can benefit from both intentional framing and feedback As socially constructed concepts both reflection and leadership have historically lacked clarity to add to the confusion critical

reflection is often interchanged with reflection This book introduces a continuum of critical reflection in leadership learning In order to facilitate reflection in leadership learning educators must engage in the inner work of becoming reflective educators Finally in the face of complex social challenges reflection leadership mindfulness and resilience are juxtaposed in order to highlight how these concepts are reliant upon one another Reflection in leadership learning is essential for anyone who wants to develop their capacity for leadership When faced with complex social issues and challenges at a global scale the only way to make progress is through collective action that results from critical reflection To develop more resilient and mindful learners who can adapt to changing circumstances educators must center reflection in leadership learning as a philosophy pedagogy outcome and strategy This book provides a balance of theory and practice to empower and enable educators to engage in reflective leadership learning

Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur ,2007 **Books Ireland** ,2004 *Dancing With the Trinity* Monique Jesiolowski,2012-06-28 Using colorful descriptions and heart felt anecdotes Monique vividly depicts the joy of living a life completely surrendered to the will of God She encourages us to make ourselves available to follow His lead to be willing to drop everything and join the dance at a moment s notice This book is sure to touch the heart of each and every reader reminding us to set aside some time each day to play with reckless abandon and to tend to the things in our lives that are truly important

The Right to Bank Clara Barbiani,2024-04-17 The call for establishing a right to bank holds valid premises yet this right has never been contemplated before The book argues that introducing a right to bank under international law can offer a new route to ensure that the banking sector acts as a force for good like ethical banks currently do The right to bank aims to address the fundamental issues that customers can experience while dealing with banks introducing the paradigm get access be respected trust the system The right to bank is a right for everyone in the transition from a financial crisis to a climate crisis it empowers individuals to play an active role in the financial system through ethical and sustainable decision making It also stimulates financial institutions and governments to reflect about the fundamental role they play and to act wisely in furthering the ecological transition The book therefore presents a proposal for establishing a right to bank explaining the issues that this right aims to address the benefits linked to its adoption and the intended change it can trigger Within this context the author also presents the 10 Principles of Banking Social Responsibility a new framework that the author decided to create in order to give concrete traction to the positive transition that the banking sector crucially needs to embrace in this challenging historical moment This innovative work will be valuable for lawmakers banking and finance professionals and researchers governments and NGOs including UN bodies
