Type and Image Philip B. Meggs,1992-03-15 *Type and Image* The Language of Graphic Design Philip B Meggs What is the essence of graphic design How do graphic designers solve problems organize space and imbue their work with those visual and symbolic qualities that enable it to convey visual and verbal information with expression and clarity The extraordinary flowering of graphic design in our time as a potent means for communication and a major component of our visual culture increases the need for designers clients and students to comprehend its nature In this lively and lavishly illustrated book the author reveals the very essence of graphic design The elements that combine to form a design signs symbols words pictures and supporting forms are analyzed and explained Graphic design s ability to function as language and the innovative ways that designers combine words and pictures are discussed While all visual arts share common spatial properties the author demonstrates that graphic space has unique characteristics that are determined by its communicative function Graphic designs can have visual and symbolic properties which empower them to communicate with deep expression and meaning The author defines this property as graphic resonance and explains how it occurs After defining design as a problem solving process a model for this process is developed and illustrated by an in depth analysis of actual case histories This book will provide insight and inspiration for everyone who is interested or involved in graphic communications While most materials about form and meaning in design have a European origin this volume is based on the dynamic and expressive graphic design of America The reader will find inspiration hundreds of exciting examples by many of America s outstanding graphic designers and keen insights in *Type and Image* Posters American Style Therese Thau Heyman,1998 Featured here are 120 enticing posters created by some of the most popular American artists and graphic designers of the last hundred years including Will Bradley Ben Shahn Robert Rauschenberg Rupert Garcia Georgia O Keeffe Wes Wilson Norman Rockwell Victor Moscoso and the Guerrilla Girls as well as splendid works by less familiar artists

Design for Communication Elizabeth Resnick,2003-06-10 Complete coverage of basic design principles illustrated by student examples *Design for Communication* offers a unique approach to mastering the basic design principles conceptual problem solving methods and critical thinking skills that distinguish graphic designers from desktop technicians This book presents forty two basic to advanced graphic design and typography assignments collaboratively written by college educators to teach the fundamental processes concepts and techniques through hands on applications Each assignment is illustrated with actual student solutions and each includes a process narrative and an educator s critical analysis revealing the reasoning behind the creative strategies employed by each individual student solution Assignments are organized from basic to advanced within six sections The elements and principles of design Typography as image Creative word play Word and image Grid and visual hierarchy Visual advocacy *Design for Communication* is a highly visual resource of instruction
