Pure Products of America, Inc. John Bricuth, 2015-11-15 The poetic life and times of Big Bubba equal parts charismatic trickster and tent revival preacher This propulsive narrative poem tells the extended story of the popular born again televangelist Ray Bob Elray better known to all his fans as Big Bubba his twin sons Nick and Jesse and his niece and adopted daughter Donna The comic tragedy of Big Bubba's family begins to unfold when he is interviewed by an old friend country radio disc jockey Charlie Printwhistle Bubba has come to Waco Texas to preach a revival but soon reveals to Charlie much about his complicated relationship with his family his ambitions for the ministry his faith healing and his most recent venture with Pure Products of America Inc which produces and endorses anything pure from Bibles to jelly preserves for a whopper of a fee of course Structured as a verse play of two acts composed of three scenes each Pure Products of America Inc follows the unwinding of Bubba's legacy as his heirs fall out and his already slippery relationship with religion is tested by genuine grief Along the way master poet John Bricuth treats readers to a sly sarcastic and sometimes deeply moving look at storytelling old time religion and the American way **The View We're Granted** Peter Filkins, 2012-08-15 These poems consider large events such as 9 11 and the Holocaust as well as everyday concerns like quilting ice skating or the beauty of a stand of sugar maples in winter Co Winner of the Sheila Motton Book Award of the New England Poetry Club In the pivotal poem *Marking Time* which appears almost exactly halfway through Peter Filkins's fourth collection of poetry the speaker reflects on the death of a sibling and how time is marked by our memories These memories these moments whether spent contemplating a painting by Vermeer or the simple toss of a bean bag ultimately shape who we are Yet you are with me here with me here again where neither that moon nor you exist but live tethered to this memory composed of words These are poems unafraid to be graceful and engaging They attain an assurance and stability rare in contemporary poetry while their careful balance of sadness and joy reminds the reader of the difficult negotiations we make in life **Future Perfect** Charles Martin, 2018-04-11 The latest dazzling collection of poems from Charles Martin a modern poet working within the possibilities of traditional measures To be modern is to live not in a single era but in a churn of new technologies deep history myth literary traditions and contemporary cultural memes In *Future Perfect* Charles Martin's darkly comic new collection the poet explores our time and the times that come before and after which we inhabit and cultivate in memory and imagination

Through poems that play with form and challenge expectation Martin examines the continuities that persist from time immemorial to the future perfect Sensitive to the traces left behind by the lives of his characters Martin follows their tracks reflections echoes and shadows In From Certain Footprints Found at Laetoli an ancient impression preserved in volcanic ash conjures up a family scene three million years past In The Last Resort of Mr Kees and Mr Kees Goes to a Party Martin adopts the persona of the vanished poet Weldon Kees to reimagine his disappearance Letter from Komarovo 1962 retells the tense real life meeting between Anna Akhmatova and Robert Frost a year before their nations almost destroyed one another And in the titular sonnet sequence that ends the book Martin conjures a childhood in the Bronx under the shadow of the mushroom cloud of nuclear war as the perfected future supplanting the present Introducing Buck Rogers to Randall Jarrell and combining new translations or reinterpretations of works by Ovid G G Belli Octavio Paz and Euripides Future Perfect further establishes Charles Martin as a master of invention

Ballyhoo Hastings Hensel, 2019-04-02 A poetry collection that grapples with the tragicomic nature of language memory love work and the performative self Though at times whimsical and witty the poems in Hastings Hensel's Ballyhoo inhabit the world beyond and between the punchline In tightly controlled meditations on language's limits and its necessity as well as on the many forms that humor takes comedy laughter farce clowning parody and more Hensel navigates fine lines between joy and sadness jokes and cruelty reality and illusion and irony and sincerity Universal in scope the 47 poems in Ballyhoo are richly idiomatic and evocative They are also frequently grounded in the southern Atlantic coast with its particular ecology characters history and myth The pleasure in reading these poems comes from the original connections Hensel makes between the literary and the gritty an elegy set in a bait shop Twelfth Night's Feste delivering a monologue in a bar a villanelle about a murder on a cruise ship These intelligent insightful poems remind us of the frail but important relationships between comedy memory and identity Ballyhoo offers a sobering examination of the tragicomic nature of the world

Poetry, Publishing, and Visual Culture from Late Modernism to the Twenty-first Century Natalie Pollard, 2020-05-27 This is a book about contemporary literary and artistic entanglements word and image media and materiality inscription and illustration It proposes a vulnerable fugitive mode of reading poetry which defies disciplinary categorisations embracing the open endedness and provisionality of forms This manifests itself interactively in the six case studies which have been chosen for their distinctness and diversity across the long twentieth century the book begins with the early twentieth century work of writer and artist Djuna Barnes exploring her re-animation of sculptural and dramatic sources It then turns to the late modernist artist and poet David Jones considering his use of the graphic and plastic arts in *The Anathemata* and next to the underappreciated mid-century poet F T Prince whose work uncannily re-activates Michelangelo's poetry and sculpture The second half of the book explores the collaborations of the canonical poet Ted Hughes with the publisher and artist Leonard Baskin during the 1970s the innovative late twentieth century poetry of Denise Riley who uses page space and embodied sound as a form of address and finally the contemporary poet Paul Muldoon who has collaborated with photographers and artists as well as ventriloquising nonhuman phenomena The resulting unique study offers contemporary writers and readers a new understanding of literary artistic and nonhuman practices and shows the cultural importance of engaging with their messy co-dependencies The book challenges critical methodologies that make a

sharp division between the textual work and the extra literary and raises urgent questions about the status and autonomy of art and its social role *The Collected Poems of Muriel Rukeyser* Janet E. Kaufman, Anne F. Herzog, Jan Heller Levi, 2005-05-22 Muriel Rukeyser held a visionary belief in the human capacity to create social change through language She earned an international reputation as a powerful voice against enforced silences of all kind against the violence of war poverty and racism Her eloquent poetry of witness of the Scottsboro Nine the Spanish Civil War the poisoning of the Gauley Bridge laborers split the darkness covering a shameful world In addition to the complete texts of her twelve previously published books this volume also features new poems discovered by the editors Rukeyser's translations including the first English translations of Octavio Paz's work early work by Rukeyser not previously published in book form and the controversial book length poem Wake Island An introduction by the editors traces Rukeyser's life and literary reputation and complements discerning annotations and textual notes to the poems *The Night Guard at the Wilberforce Hotel* Daniel Anderson, 2014-04-21 In his third collection of poems Daniel Anderson ponders and celebrates the images sounds and tastes of contemporary life The poems in *The Night Guard at the Wilberforce Hotel* navigate the evanescent boundaries between the public and the private self Daniel Anderson's settings are often social but never fail to turn inward drowning out the chatter of conversation to quietly observe the truths that we simultaneously share and withhold from one another even as we visit friends celebrate a young couple's union or eavesdrop on the conversations of others These twenty poems include meditations on teaching hungover undergraduates wine tasting among snobs and engaging the war on terror from the comfort of the suburbs They are alternately driven by ornamental language that seeks to clarify and crystallize the beauties of our common world and the poet's faith that fellowship ultimately trumps partisanship Even as they weigh and measure the darkness of the heart and the sometimes rash and stingy movements of the mind the poems refrain from pronouncing judgment on their characters As much as they ponder they also celebrate in exact careful and loving terms the haunting and bracing stimuli from which they originate Historical Dictionary of Armenia Rouben Paul Adalian, 2010-05-13 There are two Armenias the current Republic of Armenia and historic Armenia The modern state dates from the early 20th century Historic Armenia was part of the ancient world and expired in the Middle Ages Its people however survived and from its residue recreated a new country The history of the Armenians is the story of how an ancient people endured into modern times and how its culture evolved from one conceived under the influence of Mesopotamia to one redefined by the civilization of Europe The second edition of the *Historical Dictionary of Armenia* relates the turbulent past of this persistent country through a chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries on significant persons events places organizations and other aspects of Armenian history from the earliest times to the present
