Frost,2025-03-31 Great War Land Girls were all very different individuals they radiated vitality resolve and determination In this book their sense of fun and infectious humour shines through the myriad of humorous stories and poems penned while doing their National Service Amidst the troubling times they worked through their ability to stick it if it kills no matter what earned them a richly deserved respect Using previously unpublished photographs from personal collections that intimately depict the ups and downs of their daily lives this book attempts to immerse readers in the quirky and unusual world of the Great War Land Girl and discovers exactly how they interacted lived together socialised relaxed fell in love went off the rails and got through difficult times The minutiae of life as a recruit in land organizations established early on in the war and later in the Women's Land Army is vividly brought back to life through previously untold accounts Ultimately their legacy tells of unwavering devotion to duty and to the country they held dear Land Girls broke new ground and turned their hand to any task that was asked of them with an inextinguishable wartime spirit The attitudes and approaches they showed to their work when faced with such adversity remain inspirational more than a century later Their forgotten testimonies are shared in this book They fizz off the page as a true record of I was there **The Women's Land Army in First World War Britain** B.

White,2014-07-16 Between 1917 and 1919 women enlisted in the Women's Land Army a national organisation with the task of increasing domestic food production Behind the scenes organisers laboured to not only recruit an army of women workers but to also dispel public fears that Britain's Land Girls would be defeminized and devalued by their wartime experiences

food clothing and other substances played a big part in making sure that everyone had a fair share of whatever was available In this fascinating book Katherine Knight looks at how experiences of rationing varied between rich and poor town and country and how ingenious cooks often made a meal from poor ingredients Charting the developments of the rationing programme throughout the war and afterwards Spuds Spam and Eating for Victory documents the use of substitutions for luxury ingredients not available resulting in delicacies such as carrot jam and oatmeal sausages The introduction of Spam in America in the forties led to this canned spiced pork and ham becoming an iconic symbol of the worse period of shortage in the twentieth century Seventy years after the outbreak of the Second World War this book listens to some of the people who were young during the conflict share their memories both sad and funny of what it was like to eat for Victory [Cumbria at War, 1939-45](#) Ruth Mansergh,2019-07-30 A comprehensive view of the important part Cumbria played in WWII including a detailed look at the warships built in the Barrow Yard Firetrench The outbreak of war marked a new era for the people of Cumbria Many young men and women enlisted in the Forces while older people joined the Home Guard or became Air Raid Precaution Wardens Children from cities were sent to Kendal to escape the threat of bombing raids members of the Women's Land Army began to arrive on at the local farms and Silloth airfield near Carlisle trained thousands of pilots from allied countries The first sign of German interest in the important shipbuilding town of Barrow in Furness was in May 1936 when a rigid airship and passenger aircraft flew very low and slowly over the Furness rooftops Vickers shipyard became a target for enemy bombing and eventually more than 10 000 houses were damaged or destroyed by the Luftwaffe during the Barrow Blitz that took place during April and May 1941 Extensively researched the book takes a detailed look at the ships built in Barrow memorials in the city of Carlisle and towns and villages across Cumbria and remembers the brave dead of Second World War Overall this is a poignant testimony to the momentous efforts bravery self sacrifice and determination of the people of Cumbria during the Second World War who sought to find normality in a reality so far removed from anything they had ever known In this fascinatingly good read Ruth has captured the spirit and uncertainty of all Cumbrians in those stressful years Cumbria Family History Society [A History of New Zealand Women](#) Barbara Brookes,2016-02-15 What would a history of New Zealand look like that rejected Thomas Carlyle's definition of history as the biography of great men and focused instead on the experiences of women One that shifted the angle of vision and examined the stages of this country's development from the points of view of wives daughters mothers grandmothers sisters and aunts That considered their lives as distinct from though often unwillingly influenced by those of history's great men In her ground breaking History of New Zealand Women Barbara Brookes provides just such a history This is more than an account of women in New Zealand from those who arrived on the first waka to the Grammy and Man Booker Prize winning young women of the current decade It is a comprehensive history of New Zealand seen through a female lens Brookes argues that while European men erected the political scaffolding to create a small nation women created the infrastructure necessary for colonial society to succeed

Concepts of home marriage and family brought by settler women and integral to the developing state transformed the lives of M ori women The small scale of New Zealand society facilitated rapid change so that by the twenty first century women are no longer defined by family contexts In her long awaited book Barbara Brookes traces the factors that drove that change Her lively narrative draws on a wide variety of sources to map the importance in women s lives not just of legal and economic changes but of smaller joys such as the arrival of a piano from England or the freedom of riding a bicycle Villages of Britain Clive Aslet,2010-10-04 A personal authoritative and beautiful celebration of Britain s finest villages **Elton John - Greatest Hits (Songbook)** Elton John,1991-10-01 Piano Vocal Guitar Artist Songbook The revised edition of this hit packed collection is better than ever featuring brand new transcriptions of several songs Includes 24 Elton tunes in all Candle in the Wind Don t Let the Sun Go Down on Me I Don t Wanna Go On with You like That Philadelphia Freedom Something About the Way You Look Tonight Your Song and more *Elton John - Rocket Man: Number Ones (Songbook)* Elton John,2007-06-01 Piano Vocal Guitar Artist Songbook This retrospective collection celebrates 17 hits that rocketed Elton to the top of the pop charts Includes Bennie and the Jets Can You Feel the Love Tonight Candle in the Wind Crocodile Rock Don t Let the Sun Go Down on Me Philadelphia Freedom Rocket Man Your Song and more **Her War: Episodes 6 to 10** Rebecca Rosengrave, Circa WWII and the acid of Japanese conflict is eating its way closer to the defenceless Australian shores With the men away on the European frontline there remains one option fight like a girl Her War is a ten episode screenplay based on historical events involving Australian women While a select few joined the services including the Australian Women s Army Service an even larger number enlisted in the forgotten fourth service Australian Women s Land Army Underpaid underappreciated and overworked these women faced an even bigger battle on the home front misogynistic conflict Heroism took the form of courage resilience and survival in the face of betrayal Follow Maureen Ethel Joyce Franny as they each play their part in defending their county s liberty and freedom Set in Australia and Papua New Guinea this series is an epic adventure that speaks to the turn of the tide for feminism in Australia **A Girl's Guide to Life** Katie Meier,2010-06-22 Presents advice for teenage girls on how to improve body mind and soul as they grow into womanhood **Britain in the second world war** Harold L Smith,2024-06-04 This text provides original documents which are designed to help the reader evaluate claims that World War II introduced a new sense of social solidarity and social idealism which led to a consensus on welfare state reform The book offers important evidence on crime race relations and anti semitism women health and the family in addition to examining the Blitz evacuation and the making of social policy Special attention is paid to the debate within the Conservative party on the Beveridge Report and the proposed national health service Many of the documents included here have been drawn from the Public Record Office and have not been published previously Plants Go to War Judith Sumner,2019-06-17 As the first botanical history of World War II Plants Go to War examines military history from the perspective of plant science From victory gardens to drugs timber rubber and fibers plants supplied materials with key roles in victory Vegetables
