Yehoshua, 2012-07-05 The year is 999 A.D. Christians in Europe are preparing themselves for the arrival of the Messiah at the millennium and religious fervour is in the air Sailing from the North African port of Tangier to a small distant town called Paris are a Jewish merchant Ben Attar his two beloved wives and his Arab partner Abu Lutfi They have come for a meeting with their third partner the widower Raphael Abulafia who has been forced to turn his back on their previous trading partnership because of his new wife's distrust of the dual marriage of Ben Attar The latter turns this annual trading voyage into a personal quest to legitimise his second wife restore his honour and equally important to show others the richness and humanity in his way of life A confrontation ensues between people of different cultures whose ways of living and loving are so

different and yet who are of the same religion believe in the same God and in the same morality Thus we enter a profound human drama whose moral conflicts of fidelity and desire resonate deeply with our times A B Yehoshua has imaginatively recreated a medieval world with its merchant trade in great depth and sensuous detail His evocation of one man s love is lyrical erotic even and A Journey to the End of the Millennium will rank with the best of Yehoshua s work      **The Autocar**,1910      Journey's End Nedler Palaz,2017-10-19 A severe head injury causes loss of memory with no name Dave responds to an internal compass to guide him in search for his old life Without recall of another life now known as Dave Larson he finds work as a ranch hand in 1887 Montana Territory Significant troubles plague the ranch owned by Buff Dugan malicious destruction of fences attempted cattle rustling and a midnight ambush of the foreman Dave takes on the foreman duties of the beleaguered ranch operation but functions less ably due to overwork and the disabling head injury Rancher Curly Watson is suspected of provocations to disrupt the peace of the valley but his motives are hidden Dugan s niece Lucy Smith arrives in search of her missing husband only to discover he is already working on the ranch Learning his amnesia is selective a sense of guilt pervades because eighty thousand in gold bars is missing and Dave is sought by the authorities as the thief Guilty is guilty does a warrant for his arrest impels Jim Bowen his old partner to go after Dave Mistrust and guilt deprivation and pain perseverance and courage achieve journey s end      **Drancy - Journey's End** Raymond Roscoe, Film Treatment Available to legitimate producers Brief Overview At just 14 years old a boy from Liverpool England borrows his older brother s birth certificate to pursue a dream of adventure at sea In 1937 he joined a ship owned by the Harrison Line enjoying three years of life at sea before World War II erupted In 1940 his unarmed cargo ship is attacked by a German Raider disguised as a Swedish vessel The Raider s crew mercilessly plunders the ship before sinking it killing some crew members and taking the rest including the young boy as prisoners of war Journey to Drancy After months of captivity at sea the boy and his fellow POWs are transported to occupied France and confined in Drancy a concentration camp notorious for its inhumane conditions There they endure torture starvation and the constant fear of being sent to Auschwitz Drancy is a place of horror where the screams of tortured men women and children fill the night After six agonizing months the boy is transferred to various German POW camps where he continues to struggle for survival amidst gruelling conditions and dangerous escape attempts He remains a POW until six months after the war s end finally returning to a world that has drastically changed Post War Injustice Forty years after the war Germany established a compensation fund for those who suffered in the Drancy Concentration Camp France However when a British MP seeks to secure the compensation that Germany awarded for the few British survivors of Drancy the government tribunal refuses dismissing Drancy as merely a transit camp This decision stands in stark contrast to overwhelming evidence from survivors historians and authorities in Germany France Israel and beyond who recognize Drancy s true nature as a concentration camp A full twenty page stenographer s transcript of the tribunal meeting is included in the book
