Land Girls War:

Land Girl's War Joan Mary Snelling,2004-06 In April 1941 eighteen year old Joan Snelling or Pop to her friends volunteered for work in the Women s Land Army Within weeks she was duly employed as a land girl at Hoveton Fruit Farm Norfolk Here she undertook all sorts of farm work including learning how to drive a tractor Joan s engaging and witty account shows that as land girls she and her friends found time amidst the hard toil to attend wartime dances and have romances with fighter pilots Whilst Joan s memoirs detail the perils of wartime life they also provide a humorous insight into farm work where animals are unpredictable and falling asleep at the wheel of a tractor is an occupational hazard **Land Girls & Their Impact** Ann Kramer,2009-04-21 The impact of the land girls cannot be ignored It was not just that women were working and farms had more women than men women who were not part of the family or for some of them had even lived in the countryside before but women were wearing trousers and filling in for men some of whom would never return from war For the women their time as land girls changed their lives and how they viewed their own role in society and the family Using original interviews and photographs from some of these land girls historian Ann Kramer delves deeper than any previous study to understand the role of the land girls both during and after the Second World War **The Land Girls** Annie Wilkinson,2014-09-25 Hull 1943 Seventeen year old Muriel Dearlove has weathered the Blitz unscathed earning her keep in Miss Chapman s grocery shop But with her sweetheart Bill away fighting and and her friends conscripted into the WRENS and WAAF life has become tedious Then a friend returns from a stint in the Land Army rosy cheeked and healthier than ever thanks to the outdoor work she has been doing on Northumberland s farms She also comes with tales of dances with the troops stationed nearby and high jinks with her fellow Land Girls Desperate for the chance to broaden her horizons Muriel signs up But getting back to the land is not all about making hay in the sunshine The reality is long days of back breaking work with little thanks from the hard nosed warden Mrs Hubbard Meanwhile the relationship between the Land Girls and the locals has reached crisis point Then Muriel meets Ernst a German prisoner of war and has a choice to make In fraternizing with the enemy she breaks the law but to never see Ernst again would break her heart **The Women's Land Army in First World War Britain** B. White,2014-07-16 Between 1917 and 1919 women enlisted in the Women s Land Army a national organisation with the task of increasing domestic food production Behind the scenes organisers laboured to not only recruit an army of women workers but to also dispel public fears that Britain s Land Girls would be defeminized and devalued by their wartime experiences [The Women's Land Army](#) Victoria Sackville-West,1944 *The Land Girls at Christmas* Jenny Holmes,2017-11-16 Don t miss Jenny Holmes s latest wartime series The Air Raid Girls Part 3 The Air Raid Girls Wartime Brides is available now Calling All Women It s 1941 and as the Second World War rages on girls from all over the country are signing up to the Women s Land Army Renowned for their camaraderie and spirit it is these brave women who step in to take on the gruelling farm work from the men conscripted into the armed forces When Yorkshire mill girl Una

joins the cause she wonders how she'll adapt to country life. Luckily she's quickly befriended by more experienced Land Girls Brenda and Grace. But as Christmas draws ever near the girls' resolve is tested as scandals and secrets are revealed, lovers risk being torn apart and even patriotic loyalties are called into question. With only a week to go until the festivities, can the strain of wartime still allow for the magic of Christmas? A wonderful festive tale of friendship, romance and triumph over adversity that fans of Daisy Styles' *Donna Douglas* and *Call the Midwife* will adore. **The Women's Land Army** Gill Clarke, 2008. Land girls of two world wars depicted by the nation's artists. **Women at Work in World Wars I and II** Paul Chrystal, 2024-04-04. This book is about women in World Wars I & II: women working in factories and on farms or toiling perilously in field stations just behind the front lines in inhospitable hospitals and convalescent homes. It is therefore about the prodigious contribution women made to the war efforts from 1914-1918 and 1939-1945, standing in for the men who had left their places of work for the various theatres of war from Greece and Italy to Belgium, from Mesopotamia to France. Their tasks were many and various: keeping the troops supplied with shells, bullets and explosives; keeping the nation from starving to death; keeping hundreds of thousands of wounded troops alive so that they might fight another day. The book is in short the uplifting but sometimes tragic story of the many women who stepped up to work in the factories, hospitals, field stations, in transport and in civil defense on the farms and shipyards or signed up to the various military and civil services during the two world wars of the 20th century wars to end all wars. The book is different because it deals with women's labour in both world wars and in all occupations; it covers the discrimination and prejudice they faced from men at every level, military and civilian, even when they had demonstrated beyond doubt that they were quick learners, industrious and proficient and usually as good as any man. The book raises the embarrassing question: why it has taken so long for the prodigious contribution women made in both wars to be recognized and why some women workers still remain air-brushed from our military history after more than a century. As it turned out, little was beyond their capabilities and it is reasonable to suppose that without their huge efforts and accomplishments both wars might have turned out very differently for us. **Bloodline** Fiona Mountain, 2006-03-07. Seemingly unrelated strands: an enigmatic note, a child's voice in a country house, a friendship destroyed by tragedy and a game of football between two soldiers. British and German weave together as genealogist Natasha Blake investigates the murder of an old man in the Cotswolds who was shot dead after he commissioned a family tree of his granddaughter's boyfriend. *Land Girls*, 2013. *Land Girls* Series 3 is once again set on the Hoxley estate and in the village of Helmstead against the backdrop of war-weary 1940s Britain. The highly popular drama is based at the run-down Pasture Farm and the opulent Hoxley Manor which is taken over as a hospital when the local military hospital is bombed. The series continues to follow the lives and loves of the land girls doing their bit for Britain in the Women's Land Army (WLA) as the women work hard on the land serving their country. **The Air Raid Girls** Jenny Holmes, 2021-03-18. May 1941. Meet the Air Raid Girls: three young women keen to do their bit during the Yorkshire blitz. Connie's life has taken an unexpected

turn since her husband died she's living at home and working in the family bakery but night shifts as an ARP Warden give her a firm sense of purpose Her younger sister Lizzie is eager to play her part too perhaps as an ambulance driver Her fiancé refuses to support her decision but does he really know what's best for her Twenty year old Pamela has led a sheltered life but when her family's home is destroyed in a raid she must learn to stand on her own two feet helped by new friends As bombs fall and fires rage the young women face the destruction of everything they've ever known Can their fighting spirit prevail And what of their families and the men they love A thrilling and heartwarming new story of friendship love and duty in wartime by the author of *The Spitfire Girls* for fans of Elaine Everest and Rosie Hendry Don't miss the next two instalments in the series *The Air Raid Girls at Christmas* and *The Air Raid Girls Wartime Brides* are available now Readers LOVE the *Air Raid Girls* series There wasn't anything I didn't like about this book 5 star review In all the women at war series of book I have read so far I think this is the best 5 star review I couldn't put this book down 5 star review Loved the whole story Hated it coming to an end 5 star review Just the kind of book I like 5 star review

Semi-Detached John Biffen, 2013-12-09 Immensely respected on both sides of the House John Biffen was a man of charm wisdom and intelligence Celebrated as one of the cleverest and nicest politicians around he brought to the Conservative benches one of the most original economic minds of his generation Biffen served as Chief Secretary to the Treasury and Secretary of State for Trade but it was as Leader of the House of Commons that he really made his mark Over time he found himself increasingly at odds with the divisive nature and style of Margaret Thatcher's government Thatcher was unreceptive and he was slowly frozen out In sacking Biffen from her Cabinet she lost one of the more human faces of her government With its candid account of the subject's battle with depression this fascinating autobiography with extensive extracts from his unpublished diaries is a portrait of great humanity and determination set against the backdrop of public life *Semi-Detached* revisits dramatic and poignant moments from Biffen's personal life and from the corridors of power presenting a moving and penetrating portrayal of one of the twentieth century's most remarkable politicians

Landscape and Englishness David Matless, 2005-08-01 Landscape has been central to definitions of Englishness for centuries David Matless argues that landscape has been the site where English visions of the past present and future have met in debates over questions of national identity disputes over history and modernity and ideals of citizenship and the body Landscape and Englishness is extensively illustrated and draws on a wide range of material topographical guides health manuals paintings poetry architectural polemic photography nature guides and novels The author first examines the inter war period showing

how a vision of Englishness and landscape as both modern and traditional urban and rural progressive and preservationist took shape around debates over building in the countryside the replanning of cities and the cultures of leisure and citizenship He concludes by tracing out the story of landscape and Englishness down to the present day showing how the familiar terms of debate regarding landscape and heritage are a product of the immediate post war era and asking how current arguments over care for the environment or expressions of the nation resonate with earlier histories and geographies cultural history at its best subtle multi layered and full of new ideas and insights this book is a must Contemporary British History creates a convincing portrait of the changing meanings of the English landscape in the twentieth century Times Literary Supplement

Struggle and Suffrage in Nottingham Carol Lovejoy Edwards,2019-02-28 Struggle and Suffrage in Nottingham is the story of many women across the generations and their struggle for equality This was not just a struggle for the vote but also for equality in the workplace and even in their own homes Women gave a great deal to this country and still do This book is a celebration of just some of those women whose stories as a whole are too many to tell We owe our privileges today to those many women who struggled for the freedoms we are allowed to take for granted today The centenary that is the subject of this book covers two world wars where women took on men s jobs with many sacrificing their lives along the way These women suffered humiliation and force feeding in their quest for the vote and yet continued working towards their dream This is the first book to concentrate solely on this period in women s history in our county and shows the struggle women endured at a time when equality was rare among men as well A woman s job was seen to be purely looking after the house and raising children Many men felt threatened by any woman who wanted more Using many primary sources including minutes of Nottingham women s many social groups this book tells of the women of Nottingham and their work until now largely hidden behind the prominent men of Nottingham and its county It tells of their welfare work their war work their political efforts and the hardships endured in their own homes Included are the stories of Helen Watts suffragette Lady Laura Ridding wife of the Bishop of Southwell Lady Maud Rolleston who followed her husband to the Boer War as well as ordinary women undertaking war work some of whom were Canary Girls in the munitions factories who lost their lives in an explosion in 1918 Nottingham is a city known for its rebellious acts this centenary in women s history was no different This book is merely a place to start when looking at this period in our local history It cannot cover but a small amount of the work carried out in our city by innumerable women over the centuries
