## Land Of Go Stories:

Minver Stories Bruce Rimell, 2021-06-13 Playful archaic and confusing this bizarre collection of song chant poems narrates in a riddling language the story of Minver a flashing eyed sprite who became for the author the very embodiment of ecstasy Emerging from the dance club culture of the late 90s but set in an archetypal nameless mythical landscape Minver Stories is a very idiosyncratic take on the MDMA experience is there no word in my language a box of papers leaves in the air to tell me who you are I can see you but I do not yet know who you are Indefinable trickster strange and fantastic sprite Minver leaps from these pages into caves rivers and forests meets a cast of mythical characters who mostly become victims of his irascible ecstatic playtime and dances with flowing words and oblique references into the heart and into the soul a leaf an angel wing you will see soon enough
