Most books about B movies are straight forward genre guides, biographies, or encyclopaedias. Not this one. In addition to chapters on film showmen, gimmicks, and cult films, *Land of a Thousand Balconies* documents those incidents and unusual film happenings which author Jack Stevenson has over the past fifteen years been privy to in his various capacities as show organiser, tour arranger, festival jury member, and projectionist for hire. *Land of a Thousand Balconies* also focuses on movie theatres and renegade exhibition spaces, lamenting on the disappearing sense of place that is such an integral part of the movie going experience. Here the reader is invited to tour a diversity of venues from the notorious old grindhouses of San Francisco, the home made store front cinemas of Seattle and NY, through to the underground film clubs of Europe.
