**No Man's Land** Louis Raphael Nardini, 1961 **Homesteading the Plains** Richard Edwards, Jacob K. Friefeld, Rebecca S. Wingo, 2017-09 2018 Nebraska Book Award 2018 Outstanding Academic Title

selected by Choice Homesteading the Plains offers a bold new look at the history of homesteading overturning what for decades has been the orthodox scholarly view The authors begin by noting the striking disparity between the public's perception of homesteading as a cherished part of our national narrative and most scholars harshly negative and dismissive treatment Homesteading the Plains reexamines old data and draws from newly available digitized records to reassess the current interpretation's four principal tenets homesteading was a minor factor in farm formation with most Western farmers purchasing their land most homesteaders failed to prove up their claims the homesteading process was rife with corruption and fraud and homesteading caused Indian land dispossession Using data instead of anecdotes and focusing mainly on the nineteenth century Homesteading the Plains demonstrates that the first three tenets are wrong and the fourth only partially true In short the public's perception of homesteading is perhaps more accurate than the one scholars have constructed Homesteading the Plains provides the basis for an understanding of homesteading that is startlingly different from current scholarly orthodoxy

**Mired Glory** Michael E. Dmytriw, 2015-05-15 The setting for this fictional story is the civil war It was by far a time of trial pain and suffering a time that America has still not healed from But it is not a story about heroes and such many books have been written about those famous characters by learned men I am not one of those I simply tell a story I wanted to point out that I believe that the passions and emotions of turbulent periods transcend the boundaries of time The emotions associated with warfare impact the people who fought and those that did not I may be wrong in my conviction but I don't think so It's just a story
