Glorious Journey:

God's Guide to Freedom Carl Barrett,2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives

Trusting in Spirit—The Challenge Dr. Bob Woodward,2018-04-17 In this unique book Spirit Guides are invited to communicate to us teachings which they consider relevant and important at this time However the author also questions and challenges what the Guides have to say instead of just acquiescing to their messages The book is intended to help awaken people to the reality that they each have Spirit Guides who are more than willing to be of help and service to them However since they always respect our free will they depend on us taking the initiative to get to know them This is precisely the challenge of learning to trust in Spirit and in our own potential abilities I can honestly say that when I read the manuscript I was amazed at its power to inspire and heal As you read this book your spirit guide will be close and help you understand the teachings that are relevant to you Anne Lewis Spiritual Medium and Healer You are only limited in your abilities by your own set beliefs and expectations If your beliefs grow and widen then so do your abilities to contact beings on all different levels Philip The Angel
