bird watching contest if he's ever going to launch his own guiding business. By the time they untangle their crossed signals, they've become teammates and thanks to his meddling friends, a fake couple. Celeste can't tell a sparrow from a swallow, but John is a great teacher and the hours they spend hiking in the Arizona wilderness feed Celeste's hunger for new adventures while giving John a chance to practice his dream job. As the two spend more time together, they end up watching more than just the birds and their chemistry becomes undeniable. Since they're both committed to the single life, Celeste suggests a status upgrade: birders with benefits. Just until the contest is done. But as the bird count goes up and their time together ticks down, John and Celeste will have to decide if their benefits can last a lifetime or if this love affair is for the birds.

Birding for Beginners Sheila Buff, 2010-05-04 The essential companion to any birder's field guide. Birdwatching is for everyone. No other outdoor pursuit yields so much knowledge of nature's ways with so little effort. If one knows what to look for, birding for beginners opens the world of birding to the novice. In this complete guide to getting the most out of birding, this updated edition includes a new chapter on birding online and features detailed chapters on equipment, identification techniques, birding by ear, where to view birds, field guides, optics, and other essentials to get the beginner quickly into the field to identify birds. Especially valuable are chapters on bird behaviors such as feeding, flight, courting, and breeding, nesting, and migration, informing the beginner not only about what kind of bird is on the other end of the binoculars but what it is up to as well.

Birdwatching in Maine Derek J. Lovitch, 2024-02-12 This book fills an important niche for the birdwatching community by offering comprehensive entries detailing the best locations for finding birds throughout the state for enthusiasts of all levels of skill and interest. It contains descriptions of 201 birding sites in Maine with explicit directions on how to get there for all sixteen of the state's counties, several as large as other New England states. Each chapter features a county map, a brief overview by Derek J. Lovitch, numerous specific site guides, and a list of rarities. The book also contains a detailed and useful species accounts guide for finding the most sought-after birds.

Green Birding Richard Gregson, 2013 Explores practical advice for making your birding greener and offers insights into how you can bird deeper by sticking close to home and getting to know the birds in your local area better.

The Urban Birder David Lindo, 2015-06-04 The motivational story of David Lindo's experiences with birding in the city. Anyone can become an Urban Birder. You can do it anywhere and any time, whether you've got the day to spare on your way to work during your lunch break or just looking out of a window. Look up and you will see. The book is an inspirational look at the birdlife in our cities or, more accurately, the author David's personal journey of discovery involving encounters with racism, air rifle-toting youths, girls, alcohol, music, finding urban wildlife oases, and, of course, birds.
