## **Goal Pathways Via Biblical Passage:**

Goal Pathways Georgia Cottrell, 2005-01-01 Goal Pathways is a collection of biblical illustrations that examines the conduct of travelers on eternity's path as they strive to attain their goals. The author does not emphasize the final destination but rather focuses on the individual's motive for the goal and their course of action taken to obtain the desired result. Each story from Abraham to Nebuchadnezzar amplifies the scriptures and reveals that the conduct of ancient Bible characters in Goal Pathways parallels the conduct of present-day man or woman. Then as now an emotional spectrum of love and sincerity to hatred and greed influence human choices made in the pursuit of the countless goals in this life. The fifty-two biblical accounts are referenced with the corresponding scriptural address to aid in daily devotions, Bible studies, or classroom instruction.

**Interpreting Scripture across Cultures** Will Brooks,2022-06-17 The refugee that has come to your church the pastor of the immigrant church in your town and you

yourself all come before the same Bible even the same verse and walk away with completely different understandings and applications In an increasingly globalized and multicultural world how can we learn to see beyond our own cultural influences understand those of others and learn from each other in order to better understand and apply the word of God How do we stay faithful to the text when our contemporary cultural perspective is so different from the original author s This book will enable you to understand the common pitfalls and dangers related to cross cultural hermeneutics while also equipping you with principles and real life examples for how to interpret Scripture in such situations Additionally given the fact that our world is increasingly digitized and people are less and less likely to read we will consider the issue of oral hermeneutics and how those who can t read or choose not to read can interpret Scripture faithfully

**Discover Your Divine Purpose** Margaret Mutandwa,2017-09-22 A divine pathway recoups the neglected youths suffering from broken hearts the victimized parents and all those who are vulnerable to abuse despite their age Ironically without judging everybody is biblically guiltless Regrettably conspiracy and disorderly pressure from community is tarnishing lives of the young generation Some children are victims of decisions made by parents and it has affected their lives though with some it is by own choice and peer pressure from bully friends The devil is also gravely flirting with teenagers corrupting their mindset through social media especially internet Teenage pregnancy drugs magazines and bullying the innocent is the devils work because teenagers of today are the witnesses of coming of Christ Knife and gun gangs are roaming the world streets at an unprecedented rate and fear of muggers is tormenting and crippling the society 24 7 Some single parents blame their status because of the behaviour of their children Some couples are also failing to control their teenage children As a result the Victorian times of high opinion of elders is now regarded as a thing of the ancient Parents are neglecting their children because of parenting ineffectiveness and at times out of fear Presumably lacking of common ground with teenage children is a grey area impediment As a parent I urge all parents by the love of Christ to amalgamate and save the young generation from the spineless world for today is their tomorrow Truthfully only the incorruptible Spirit of God can regenerate the bruised inner being of the deprived teenagers that is if their passion is Christ like The same Spirit moulds parents to be real models to youths Every day is a learning curve No one is perfect and learning does not end Parents should not blame themselves or the children for bad behaviour though there is always a cause They should leave no stone unturned and find the root cause first
