The Study Joseph Mills, 2016-04-21 This book under construction over the past fifty years uses history and fiction to connect the dots of known and unknown periods in the development of the human race It presumes that God lives on a heavenly planet Xeros somewhere in our vast universe that all humans begin at Level 3 and have the opportunity to move up to Level 2 Angels and then to Level 1 Archangels that He is colonizing planets throughout this universe and that a battle between God and Satan good v evil permeates His every decision The book focus is on planet earth the use of a natural disaster to exterminate the dinosaurs the story of Adam and Eve and the process of populating planet earth the story of Noah and the great flood and the story of Jesus Christ the Son of God who was sent to save mankind The book then explains the development of Christianity the hidden story of the Nephilim the Rapture and Revelation Armageddon the thousand year reign and the new Heaven and the new Earth In summary The Study offers a message to the reader that each Level 3 person makes choices every day that each human being is so helpless without God's protection that the end of life on planet earth is very close and that one must believe in Jesus Christ to achieve life everlasting

Christians Too, Must Obey Wayne Talbot, 2018-01-05 Cursed is the one who will not uphold the words of this Torah to perform them and the entire people shall say Amen Deut 27 26 TJB King David wrote of Torah The law of the Lord is perfect converting my soul the statutes of the Lord are right rejoicing the heart the commandment of the Lord is pure enlightening the eyes Ps 19 78 He also wrote I will delight myself in Your statutes I will not forget Your word Make me walk in the path of Your commandments for I delight in it I will delight myself in Your commandments which I love Your statutes have been my songs in the house of my pilgrimage The earth O Lord is full of Your mercy teach me Your statutes Ps 119 Centuries later Martin Luther wrote The law when it is in its true sense doth nothing else but reveal sin engender wrath

accuse and terrify men so that it bringeth them to the very brink of desperation This is the proper use of the law and here it hath an end and it ought to go no further Who was right Was the Torah a gracious gift of a loving God providing guidance for all generations and for all time or was its giving a malicious act of God against the children of Israel Did Jesus fulfill the law in such a way as to be not applicable to his followers even though his early followers the apostles and disciples did not believe so continuing to be Torah observant and practicing Judaism in a Messianic context When the Church of Rome condemned the Nazarenes as heretics were they not also proclaiming the Jewish followers of Jesus as heretics including the twelve apostles This study attempts to answer those questions The Ordinary Necromancers Rob Armstrong,2021-07-27

Body/Brain - Soul/Mind , The Seven Cs of Consulting Mick Cope,2010-10-05 CLIENT CLARIFY CREATE CHANGE CONFIRM CONTINUE CLOSE THE SEVEN SECRETS OF CONSULTANCY Most change methods are effective For the most part each one is theoretically sound well researched and clearly articulated But when they re put in organizations they fail at least 70 to 80% of the time George Smart Managing Partner Strategic Development Incorporated The definition of a consultant is someone who facilitates organisational change and provides expertise on technical functional and business

topics during development or implementation In other words a consultant is someone who helps others to change However change isn't such an easy target to achieve Research shows that the vast majority of change programmes fail On a daily basis we hear about projects that are delayed cancelled over budget or boycotted by the end user The problem is that we can never force people to change remember the backlash against Jamie Oliver's healthy school meals campaign where parents handed junk food to their children through school fences The key to successful change is to engage with the end user and help them want to change The Seven Cs of Consulting offers a consistent and collaborative language that helps both consultant and client deliver value through sustainable change Based around the author's highly successful 7Cs model Client Clarify Create Change Confirm Continue Close this approach is simple and accessible but firmly grounded in research and real life experience The 7Cs approach opens up the complexity of sustainable change to the consultant and client and helps them explore and then avoid the real issues that cause change to fail within a more professional and trusting relationship

God's Divine Plan for Humanity Vol. 1 Felix Wantang, 2023-01-31 This book is Volume 1 of God's Divine Plan for Humanity series You are a very important part of God's divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God's creative library step by step to unveil the mysteries of God's plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24:1-2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16:33
