Gustav Klimt Christian M. Nebehay,1994-07-22 Explores the turn of the century Viennese painter's life and work highlights the utopian Secession movement of which Klimt was a leader and reproduces the artist's paintings sketches and correspondence

Gustav Klimt Gilles Néret,Gustav Klimt,2000 Gustav Klimt's art thoroughly expresses the apocalyptic atmosphere of Vienna's upper middle class society a society devoted to the cultivation of aesthetic awareness and the cult of pleasure The ecstatic joy which Klimt and his contemporaries found or hoped to find in beauty was constantly overshadowed by death And death therefore plays an important role in Klimt's art Klimt's fame however rests on his reputation as one of the greatest erotic painters and graphic artists of his times In particular his drawings which have been widely admired for their artistic excellence are dominated by the erotic portrayal of women Klimt saw the world in female form site accessed 23 07 2012 <http://www.amazon.com/Gustav-Klimt-1862-1918-Basic-Art/dp/382285980X>

Gustav Klimt Marian Bisanz-Prakken,Gustav Klimt,Klaus Albrecht Schröder,2012 The phenomenal draftsman Gustav Klimt occupies a unique place in modern art His extant oeuvre comprises some 250 paintings and more than 4 000 works on paper The study of the human figure above all female lies at the heart of the artist's activity as a draftsman which he practiced assiduously Through his study of the poses and gestures of his models Klimt repeatedly examined the essence of particular psychological and existential states of being In his constant quest for the ideal solution Klimt often went beyond the preparation of his paintings which particularly after 1900 were dominated by the themes of Eros Love Life and Death His art cannot be understood without carefully considering the drawings which are characterized by an unsurpassed mastery of line in all the phases of his artistic development from Historicism through Stilkunst around 1900 the Golden Period and up to his freer late work This lavishly illustrated publication accompanies the exhibition organized by the Albertina Museum in Vienna March 13 to June 10 2012 and the J Paul Getty Museum in Los Angeles July 3 to September 23 2012 to mark the 150th anniversary of Gustav Klimt's birth In both venues the emphasis will be placed on showing not only the variety of his draftsmanship but also the centrality of drawing to Klimt's artistic enterprise Most of the works on display will come from the Albertina's outstanding collection one of the most extensive and representative groups of Klimt drawings in the world complemented by select Austrian and international loans

2011 alone in comparison with barely seventy on Rembrandt within the same period This media publicity set editor Tobias G Natter thinking about the value of compiling the present book During his lifetime Klimt was a controversial star whose works made passions run high he stood for Modernism but he also embodied tradition His pictures polarized and divided the art loving world Journalists and general public alike were split over the question For or against Klimt The present publication therefore places particular emphasis upon the voices of Klimt s contemporaries via a series of essays examining reactions to his work throughout his career Subjects range from Klimt s portrayal of women to his adoption of landscape painting in the second half of his life The cliché that Gustav Klimt was a man of few words who rarely put pen to paper is vehemently dispelled no less than 179 letters cards writings and other documents are included in this monograph This wealth of archival material assembled here for the first time on such a scale represents a major contribution to Klimt scholarship Defining features of this edition Catalog of Klimt s complete paintings All known letter correspondence Featuring new photographs of the Stoclet Frieze commissioned exclusively for this book Contributing authors Evelyn Benesch Marian Bisanz Prakken Rainald Franz Anette Freytag Christoph Grunenberg Hansj rg Krug Susanna Partsch Angelina P tschner and Michaela Reichel **Drawing and Sketching in Pencil** Arthur L.
