Two suburban New Jersey friends Mac an introverted follower and the charismatic but manipulative Daniel meet Rachel a powerful and beautiful woman whose presence leads to unexpected struggles in their friendship *The Gypsy Story Teller* Cora Morris, 1931 Storyteller Donald Sturrock, 2011-09-13 Originally published in hardcover in 2010 *Oral Pleasure* Jerzy Kosinski, 2012-12-04 This new collection of Jerzy Kosinski's interviews and speeches reveals an Everyman who worked on his own terms A most welcome body of texts that elucidates a rather mysterious persona Tablet *Oral Pleasure* Kosinski as Storyteller is a collection of interviews lectures and transcriptions of media appearances from the legendary literary figure Jerzy Kosinski Compiled by his late widow Kiki most of the pieces here are published for the first time These texts bring sharper focus to the themes in his works making this strikingly erratic individual more accessible They provide an uncensored portrait of the writer plagued by scandal whose authenticity was challenged by fierce accusations of plagiarism regarding his seminal novel *The Painted Bird* suspicion that shadowed his career *Oral Pleasure* reveals Kosinski as a truly genuine gifted man of letters The material covers different aspects of Kosinski's eventful life from his thoughts on Poland and the Holocaust to his experiences with acting and television He expounds on the difficulties of writing under a totalitarian government and the importance of freedom of speech He discusses the fine line between fiction and autobiography the prominent role sex played in his writing and life the philosophical importance of violence in his novels and his controversial statements on Jewish identity This collection offers new insight into Kosinski's renowned work portraying a brilliant storyteller behind the public figure Containing more than 60 documents from Kosinski's career the book flows like a conversation thanks to the strength of Kosinski's voice it is coherent and recognizably whole Even without prior knowledge of his work Kosinski rewards those willing to engage with his stories *Publishers Weekly* (Mostly) True Confessions of a Gypsy Story Teller , 2014 *The Return of the Storyteller in Contemporary Fiction* Areti Dragas, 2014-08-31 Focusing on the figure of the storyteller this study breaks new ground in the approach to reading contemporary literature by identifying a growing interest in storytelling For the last thirty years contemporary fiction has been influenced by theoretical discourses textuality and writing Only since the rise of postcolonialism have academic critics been more overtly interested in stories where high theory frameworks are less applicable However as we move through various contemporary contexts engaging with postcolonial identities and hybridity to narratives of disability and evolutionary accounts of group and individual survival a common feature of all is the centrality of story which posits both the idea of survival and the passing on of traditions *The Return of the Storyteller in Contemporary Fiction* closely examines this preoccupation with story and storytelling through a close reading of six contemporary international novelists that are either about actual storytellers or engage with the figure of the storyteller revealing how death of the author has given birth to the storyteller **The Way of the Storyteller** Ruth

Sawyer,1977-01-27 As interest in the art of storytelling continues to grow many books have appeared on the subject but none have matched the scope and charm of *The Way of the Storyteller* First published in 1942 this classic work is unique in its blend of literary history criticism analysis personal anecdote and how to instructions Sawyer examines storytelling as a folk art and a still living art tracing its evolution from the earliest narrative impulses that developed as stories were written down With simple suggestions she instructs the reader in the art of storytelling and freeing the creative imagination by disciplining the mind Sawyer s guide also includes an engaging selection of international stories sure to enchant both children and adults *The Way of the Storyteller* also is an invaluable resource with a comprehensive reading and story list *Recreation* ,1937
