Hafiz Hāfiz,1928 *A Library of the World's Best Literature - Ancient and Modern - Vol. XVII (Forty-Five Volumes); Greeley-Hawthorne* Charles Dudley Warner,2008-06-01 Popular American essayist novelist and journalist CHARLES DUDLEY WARNER 1829 1900 was renowned for the warmth and intimacy of his writing which encompassed travelogue biography and autobiography fiction and more and influenced entire generations of his fellow writers Here the prolific writer turned editor for his final grand work a splendid survey of global literature classic and modern and it s not too much to suggest that if his friend and colleague Mark Twain who stole Warner s quip about how everybody complains about the weather but nobody does anything about it had assembled this set it would still be hailed today as one of the great achievements of the book world Highlights from Volume 17 include history writing from Horace Greeley John Richard Green Franois Guizot and Henry Hallam excerpts from the Brothers Grimm the ghazals odes of Hafiz selections from Alexander Hamilton s Federalist papers excerpts from Thomas Hardy s Far From the Madding Crowd the poetry of Bret Harte and much much more *Persian Words of Wisdom* Bahman Solati,2015-10-05 What is the secret of happiness What is the nature of love What makes us good hosts or good guests What traits should we seek out in friends and seek to embody as friends ourselves How should we approach the sensual beauties of this world when do they induce us to error and when are they signs of God The poets and bards of many traditions have long sought answers to such questions but perhaps no culture has taken up this challenge with more passionate urgency than that of Persia from the ninth century AD to modern day Iran These eleven centuries of poetic tradition include poets who have become well known in the West such as Umar Khayyam Rumi and Hafiz as well as many others whom Westerners have yet to discover In Iran these poems remain part of everyday popular culture with people of all classes and levels of education able to recite them from memory even if they may not always be sure who the poets were where they came from or what precisely was the spiritual intent behind the verse In *Persian Words of Wisdom* the US based Iranian scholar Bahman Solati has compiled hundreds of examples reflecting his country s religious and spiritual traditions especially the Shia branch of Islam and Islamic Sufism but also the Zoroastrian faith This bilingual edition with his own English translations further illuminates the sometimes enigmatic poems with parallel Western proverbs as well as comparison quotations from Christian Jewish and Buddhist scripture and secular sources ranging from Mark Twain to Dale Carnegie One of Solati s goals in this anthology is to build a cultural bridge through poetry between the West and Iran making these treasures of Persian culture more available both to Westerners generally and most specifically to young people of Iranian descent who have grown up in the English speaking world perhaps without fully understanding the wealth of their heritage For them and all readers this will be a book of discovery *The Middle Ages* Frank N.
