motherhood one day after dropping her daughter Honey off at nursery she took an overdose and her world very publicly began to unravel But Gail's ability to stay afloat as her life crumbled in the public spotlight made her an icon all over again for a new audience of ordinary women who recognised her pain She refused to hide away as stress induced alopecia caused her to lose her hair famously appearing at a charity event sporting a startling pink Mohican Her stunning features and her unwillingness to wear a wig to hide her bald head have made her a contemporary icon But despite all her troubles Gail remains upbeat and positive She has become a role model for coming through it all as a good mother and a working woman unbowed As iconic as Jordan smart as Billie and as wild as Kerry Gail Porter has written her autobiography herself a raw honest account of her own troubled life and the world of celebrity we now live in **The General Stud Book**, 1913
