Striking Their Modern Pose Dorota Heneghan, 2015-11-15 The importance of fashion in the construction and representation of gender and the formation of modern society in nineteenth century Spanish narrative is the focus of Dorota Heneghan's Striking Their Modern Pose The study moves beyond traditional interpretations that equate female passion for finery with symptoms of social ambition and the decline of the Spanish nation and brings to light the manners in which nineteenth century Spanish novelists drew attention to the connection between the complexities of fashionable female protagonists and the shifting limits of conventional womanhood to address the need to reformulate customary ideals of gender as a necessary condition for Spain to advance in the process of modernization. The project also sheds light on an area largely unexplored by previous studies men s pursuit of fashion Through the analysis of the richness of sartorial subtleties in Benito P rez Gald s s and Emilia Pardo Baz n s portraits of their male characters this book brings forward these writers exposure of the much denied bourgeois men s love for self adornment and the incoherencies and contradictions in the allegedly monolithic stable concept of nineteenth century Spanish masculinity While highlighting the ways in which the art of dressing smartly provided nineteenth century Spanish novelists with effective means to voice their critique of conventional gender order the book also lends insight into these authors methods of manipulating sartorial signs to explore and to envision as in the case of Pardo Baz n and Jacinto Octavio Pic n alternative models of masculinity and femininity Threading through all chapters of the study is the idea propagated by all three of these writers that Spain's full integration into modernity required not only the redefinition of the feminine role but the reconfiguration of the masculine one as well **Benito Arias Montano** IUS TRANSMISSIONIS FERNANDO JOSÉ RIVERO SÁNCHEZ-COVISA, 2020-01-09 Aubrey Fitz Gerald Bell,1922
