Herman Melville A Collection Of Critical Essays:

Herman Melville Myra Jehlen,1994 *Melville: a Collection of Critical Essays* Richard Volney Chase,1962
Contemporary critical opinions and commentaries on Herman Melville and his works with a chronology notes and bibliography **Melville: a Collection of Critical Essays** Richard Volney Chase,1962 **Melville** Herman Melville,1962
The Oxford Encyclopedia of American Literature Jay Parini,2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer s current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study *Fictions of the Black Atlantic in American Foundational Literature* Gesa Mackenthun,2004-08-02 This book is a significant contribution to existing research on the themes of race and slavery in the founding literature of the United States It extends the boundaries of existing research by locating race and slavery within a transnational and oceanic framework The author applies critical concepts developed within postcolonial theory to American texts written between the national emergence of the United States and the Civil War in order to uncover metaphors of the colonial and imperial unconscious in America s foundational writing The book analyses the writings of canonized authors such as Charles Brockden Brown James Fenimore Cooper Edgar Allan Poe and Herman Melville alongside those of lesser known writers like Olaudah Equiano Royall Tyler Frederick Douglass Martin Delany and Maxwell Philip and situates them within the colonial and postcolonial context of the slave based economic system of the Black Atlantic While placing the transatlantic slave trade on the map of American Studies and viewing it in conjunction with American imperial ambitions in the Pacific *Fictions of the Black Atlantic in American Foundational Literature* also adds a historical dimension to present discussions about the ambivalence of postcoloniality **Melville's Anatomies** Samuel Otter,1999-03-05 What Otter has done better than most contemporary readers of Melville is to bring Melville s obsession with rhetoric and with authorship into alignment with those political issues and to capture fully the context of Melville s concerns Priscilla Wald author of

Constituting Americans *A Study Guide for Herman Melville's Moby Dick* Gale, Cengage Learning, 2015-09-24 A Study Guide for Herman Melville's *Moby Dick* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **Melville's**

Antithetical Muse Juana Celia Djelal, 2017-07-27 Este estudio analiza la poética de oposición de Melville y se centra en aspectos locales temáticos retóricos y técnicos de los poemas del autor La tensa relación de Melville con su país ensayada en sus novelas se condensa en la poesía que se analiza aquí Como poeta Melville es por increíble que parezca una voz que clama en tierra salvaje con la extensa tradición de los clásicos occidentales y de la Biblia que se repiten en estos poemas Las obras analizadas en este libro han sido seleccionadas de las tres colecciones de poesía publicadas durante la vida de Melville *Battle Pieces* and *Aspects of the War* John Marr and *Other Sailors with Some Sea Pieces* y *Timoleon* Etc La disensión que emana de este corpus poético subraya el inconformismo de Melville con las expectativas ortodoxas de la América de finales del siglo XIX

Herman Melville's Moby-Dick Michael J. Davey, 2013-11-19 No book is more central to the study of nineteenth century American literature than Herman Melville's *Moby Dick* or *The Whale* First published in 1851 it still speaks powerfully to readers today Combining reprinted documents with clear introductions for student readers this volume examines the contexts of and critical responses to Melville's work It draws together an introduction to the contexts in which Melville was writing and relevant contextual documents including letters chronology of key facts and dates critical history and extracts from early reviews and modern criticism fully annotated key passages from the novel a list of biblical allusions an annotated guide to further reading Extensive cross references link contextual information critical materials and passages from the novel providing a wide ranging view of the work and ensuring a successful and enjoyable encounter with the world of *Moby Dick*

Blood Gil Anidjar, 2014-04-29 Blood according to Gil Anidjar maps the singular history of Christianity As a category for historical analysis blood can be seen through its literal and metaphorical uses as determining sometimes even defining Western culture politics and social practices and their wide ranging incarnations in nationalism capitalism and law Engaging with a variety of sources Anidjar explores the presence and the absence the making and unmaking of blood in philosophy and medicine law and literature and economic and political thought from ancient Greece to medieval Spain from the Bible to Shakespeare and Melville The prevalence of blood in the social juridical and political organization of the modern West signals that we do not live in a secular age into which religion could return Flowing across multiple boundaries infusing them with violent precepts that we must address blood undoes the presumed oppositions between religion and politics economy and theology and kinship and race It demonstrates that what we think of as modern is in fact imbued with Christianity Christianity Blood fiercely argues must be reconsidered beyond the boundaries of religion alone **Moby-Dick and Melville's Anti-Slavery Allegory** Brian R. Pellar, 2017-06-15 This book unfurls and examines the anti slavery allegory at the

subtextual core of Herman Melville's famed novel *Moby Dick* Brian Pellar points to symbols and allusions in the novel such as the albinism of the famed whale the Ship of State motif Calhoun's cords the equator Jonah Narcissus St Paul and Thomas Hobbes Leviathan The work contextualizes these devices within a historical discussion of the Compromise of 1850 and subsequently strengthened Fugitive Slave Laws Drawing on a rich variety of sources such as unpublished papers letters reviews and family memorabilia the chapters discuss the significance of these laws within Melville's own life After clarifying the hidden allegory interconnecting black slaves and black whales this book carefully sheds the layers of a hidden meaning that will be too convincing to ignore for future readings *Moby Dick* is ultimately a novel that is intimately connected with questions of race slavery and the state

Modern Criticism Walter E. Sutton, 1963

Melville's Other Lives Christopher Sten, 2022-07-19 Melville's *Other Lives* is the first book length study on *The Piazza Tales* Herman Melville's only authorized collection of short fiction published in his lifetime and the first book to explore the rich and varied subject of embodiment in any published collection of Melville's stories As Christopher Sten shows all of the stories in *The Piazza Tales* present encounters between established white male figures a writer a lawyer a ship captain a homeowner an architect a world traveler and characters who are outsiders minorities outcasts or others a seamstress an office drudge enslaved Africans a traveling salesman island castaways the poor In each Melville concentrates on the trials of the human body its pain and trauma its struggles and frustrations Some tales concern common trials such as illness or invalidism *The Piazza* the tedium of office work *Bartleby* or the aggravation of door to door salesmen *The Lightning Rod Man* Others concern extraordinary trials the traumatic violence of a rebellion on a slave ship *Benito Cereno* the hardships of surviving on a wasteland archipelago *The Encantadas* the perils of creating a monstrous man machine *The Bell Tower* In their concern for the cultural meanings of such trials Melville's stories look forward to the work of Michel Foucault Raymond Williams and other cultural materialists who have shown how cultures define control and oppress bodies based on their otherness As a storyteller Melville understood how such cultural dynamics operate and seized on our collective obsession with the human body as subject symbol and vehicle to dramatize his tales

American Literature Before 1880 Robert Lawson-Peebles, 2003-11-13

American Literature Before 1880 attempts to place its subject in the broadest possible international perspective It begins with Homer looking westward and ends with Henry James crossing the Atlantic eastwards In between the book examines the projection of images of the East onto an as yet unrecognised West the cultural consequences of Viking Colombian and then English migration to America the growth and independence of the British American colonies the key writers of the new Republic and the development of the culture of the United States before and after the Civil War It is intended both as an introduction for undergraduates to the richness and variety of American Literature and as a contribution to the debate about its distinctive nature The book therefore begins with a lengthy survey of earlier histories of American Literature

Masculinities and Literary Studies Josep M. Armengol, Marta Bosch Vilarrubias, Àngels Carabí, Teresa

Requena,2017-02-03 If much of the existing masculinity scholarship has traditionally been grounded in a specific discipline this project provides an innovative methodological approach to the subject of literary masculinities by proving the applicability of interdisciplinary masculinity scholarship namely sociology social work psychology economics political science ecology etc to the literary analysis bridging the traditional gap between the Social Sciences and the Humanities in radically new and profound ways

Labour of Laziness in Twentieth-Century American Literature Zuzanna Ladyga,2019-07-04 This text argues that major twentieth century American writers such as Gertrude Stein Ernest Hemingway John Barth Donald Barthelme and David Foster Wallace provocatively challenge the ethos of productivity by filtering their ethical interventions through culturally stigmatised imagery of laziness

Failure and the American Writer Gavin Jones,2014-01-20 By exploring the aberrant literary styles of nineteenth century American writers Jones suggests failure is just as important as success in US national experience

The Arts, Society, Literature James M. Heath,1984 Roland and Romanesque Biblical iconography in The song of Roland by William R Cook Ronald B Herzman Wordworth Coleridge and Turner by James A W Heffe rnan Alexander Pope and picturesque landscape by James R Aubrey The metamorp hosis of the centaur in fifth century Greek arts and society by Krin Gabbard F orm and protest in atonal music a meditation on Adorno by Lucian Krukowski That hive of sublety Benito Cereno as critique of ideology by James H Kavanagh Poetry and kingship Shakespeare s A midsummer night s dream by Leo Pau l S de Alvarez Hugh MacDiarmid and the Lenin Douglas line by Stephen P Smith

Melville's Democracy Jennifer Greiman,2023-01-31 For Herman Melville the instability of democracy held tremendous creative potential Examining the centrality of political thought to Melville s oeuvre Jennifer Greiman argues that Melville s densely figurative aesthetics give form to a radical reimagining of democratic foundations relations and ways of being modeling how we can think democracy in political theory today Across Melville s five decades of writing from his early Pacific novels to his late poetry Greiman identifies a literary formalism that is radically political and carries the project of democratic theory in new directions Recovering Melville s readings in political philosophy and aesthetics Greiman shows how he engaged with key problems in political theory the paradox of foundations the vicious circles of sovereign power the fragility of the people to produce a body of radical democratic art and thought Scenes of green and growing life circular structures and images of a groundless world emerge as forms for understanding democracy as a collective project in flux In Melville s experimental aesthetics Greiman finds a significant precursor to the tradition of radical democratic theory in the US and France that emphasizes transience and creativity over the foundations and forms prized by liberalism Such politics she argues are necessarily aesthetic attuned to material and sensible distinctions open to new forces of creativity

Thank you utterly much for downloading **Herman Melville A Collection Of Critical Essays**. Most likely you have knowledge that, people have look numerous time for their favorite books subsequently this Herman Melville A Collection Of Critical Essays, but end stirring in harmful downloads.

Rather than enjoying a fine PDF similar to a cup of coffee in the afternoon, then again they juggled later some harmful virus inside their computer. **Herman Melville A Collection Of Critical Essays** is to hand in our digital library an online permission to it is set as public correspondingly you can download it instantly.
