Hermann Hesse:

Hermann Hesse Joseph Mileck,2023-09-01 A critical biography far surpassing the previous ones Times Higher Education Supplement There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these He led a long and sometimes eventful life with marital tensions travel controversy crises even some thoughts of suicide and a period of time as a student in a home for retarded and unmanageable In addition there was his search which led him through the culture and arts of West and East his views of politics and society of psychology and philosophy The difference between Hesse and other writers is that virtually every shred and patch of his life was brought into his writing his fiction particularly He had to write about himself and there is little of what he wrote that is not confessional in form and therapeutic in function Autobiography is the very matter of his work Mileck s contribution is to extend and fill out the evidence of his life his psychoanalysis his drive toward self realization which was the very engine of his being to show the raw material and thus to invite readers to see how it was transmuted transfigured fantasized poeticized symbolized Los Angeles Times Hesse was a prolific author for some 60 years and his mind drew everything it contemplated into his private wars between flesh and spirit objectivity and subjectivity the longings for society and isolation No one is better qualified to disentangle this abundance than Mileck compiler of the huge two volume Hesse bibliography For completeness then no biography in English compares Kirkus Reviews Mileck provides his own translations of the German quotations from Hesse s works and the eight interpretive chapters are thoroughly indexed making the work readily accessible to researchers and students concerned with specific Hesse questions and themes This very readable book also contains a number of exceptional photographs which together with Mileck s fervor and understanding of the author help create a living image of Hesse the man and the artist Choice Professor Mileck brings to his task an acquaintanceship with Hesse s published and unpublished writings which borders on omniscience This is a literary biography which concentrates on the works and looks at the life of its subject briefly and always in relation to its involvement with the works This is true scholarship which does not make the book less readable and accessible to the general public a solid and valuable book which should make it easier to bring Hesse back into the orbit of serious appreciation in the English speaking world Books and Bookmen A critical biography far surpassing the previous ones Times Higher Education Supplement There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these He led a long and sometimes eventful **Soul of the Age** Hermann Hesse,2013-01-22 Throughout his life Herman Hesse was a devoted letter writer He corresponded not just with friends and family but also with his readers From his letters home from the seminary at age fourteen to his last letters written days before his death at eighty five this selection gives a sense of the author of some of the most widely read books of the century **Hermann Hesse** Hermann Hesse,2013-01-22 Hermann Hesse A Pictorial Biography offers a wealth of unknown photographic and textual material which was first discovered among Hesse s literary effects after his death Over

200 photographs chronicle his family background his school and apprentice years his first literary efforts and initial successes his travels to India and throughout Europe his continuing growth as a writer These photographs apart from illustrating Hesse s long and varied life amply document his position in the cultural life of his time and his relationships with celebrated contemporaries The photographs are accompanied by a brief text prepared by Volker Michels a leading Hesse scholar which includes comments about Hesse from such writers as Thomas Mann Martin Buber T S Eliot and Andre Gide examples of Hesse s unpublished light verse and a detailed chronological table Hesse s own essay Life Story Briefly Told serves as an introduction Together text and pictures provide the Hesse reader with new tools to interpret and evaluate the life and works of this exceptional man and artist

Hermann Hesse : biography and bibliography. 1 (1977) Joseph Mileck,1977

Hermann Hesse, Pilgrim of Crisis Ralph Freedman,1978

If the War Goes On . . . Hermann Hesse,2018-11-01

Herman Hesse remained clear sighted and consistent in his political views and his passionate espousal of pacifism and the bloody absurdity of war from the start of World War I to the end of his life He wrote the earliest essay in this book in September 1914 before he cemented his fame with the novels Steppenwolf and Siddhartha and continued writing a stream of letters essays and pamphlets throughout the war In his native Germany his views earned him the labels traitor and viper but after World War II he was moved to reiterate his beliefs in another series of essays and letters If The War Goes On resonates as strong today as it did when originally published and begs the question have our politicians learnt nothing in the last seventy years

Crisis Hermann Hesse,1975

A brilliant psychological portrait of a troubled young man s quest for self awareness this coming of age novel reflects the author s preoccupation with the duality of human nature and the pursuit of spiritual fulfillment New English translation Introduction

Hermann Hesse Joseph Mileck,1977-01-01

Hermann Hesse Judith Liebmann,1977

Thoughts on Dostoevsky's "The Idiot": with "The Brothers Karamazov or The Decline of Europe" and "The Voices of the Saint" Hermann Hesse, Already half of Eastern Europe is on its way to chaos driving drunkenly along the edge of the abyss in a holy delusion and singing as it goes singing drunkenly and hymn like as Dmitri Karamazov sang This edition contains two of Hesse s core works on Dostoevsky plus a related essay on the Psychology of Saintliness titled The Voices and the Saint Die Stimmen und der Heilige published in 1918 This new edition features a fresh contemporary translation of Hesse s commentary on Dostoevsky making his philosophical existentialist literature accessible to modern readers from the original Fraktur manuscripts Enhanced by an illuminating Afterword focused on Hesse s personal and intellectual relationship with Carl Jung a concise biography a glossary of essential philosophical terms integral to his writings his version of Jungian Psychological concepts and a detailed chronology of his life and major works this robust edition introduces the reader to the brilliance of his literature in context It not only captures the depth and nuance of Hesse s thought but also highlights its enduring impact

on the debates of the mid 20th century contemporary culture and Western Philosophy across the 20th and into the 21st century Penned during the Treaty of Versailles negotiations Thoughts on Dostoevsky's The Idiot interprets Dostoevsky's novels as prophetic mirrors of Europe's postwar moral collapse Published in Swiss journals Hesse's analysis reflects the era's existential anxieties framing Dostoevsky's Russia as a cautionary tale for a continent ravaged by mechanized warfare and revolutionary upheaval Written amid Germany's political chaos Spartacist uprisings hyperinflation the text critiques Western rationalism's failure to address human suffering contrasting it with Dostoevsky's embrace of irrationality and spiritual torment This was also reprinted in Hesse's collection Blick ins Chaos Drei Aufsätze Hesse's 1921 essay The Brothers Karamazov or The Decline of Europe Die Brüder Karamasoff oder Der Untergang Europas reads Ivan Karamazov's nihilism as a precursor to postwar disillusionment resonated with a generation skeptical of Enlightenment ideals The essay's historical weight stems from its attempt to salvage meaning from cultural rubble positioning literature as a vital interlocutor in times of crisis Hesse did not see The Brothers Karamazov as a linguistic work of art but rather as a prophecy of a decline of Europe which he believed was imminent In The Voices and the Saint Die Stimmen und der Heilige Ein St. ck Tagebuch first published as a special edition in 1918 Hesse pens an impressive account of two dreams influenced by the events of the war and his own suffering He writes The experiences and thoughts of these dreams ran in two directions one was completely preoccupied and filled with all kinds of suffering that happened to me the other was full of longing and striving to master this suffering through perfect understanding through holiness This edition brings to life three of Hesse's most lucid and metaphysical works with an original translation Enhanced by an illuminating Afterword focused on Hesse's personal and intellectual relationship with Carl Jung a concise biography a glossary of essential philosophical terms integral to his writings his version of Jungian Psychological concepts and a detailed chronology of his life and major works this robust edition introduces the reader to the brilliance of his literature in context The Voices and the Saint 1918 The Brothers Karamazov or The Decline of Europe 1921 and Thoughts on Dostoevsky's The Idiot 1920 form a distinct thread in his intellectual and creative output engaging deeply with the psychological and spiritual tensions of early 20th century Europe through the lens of Fyodor Dostoevsky's fiction and Hesse's own introspective visions A Companion to the Works of Hermann Hesse Ingo Cornils, 2009 New essays on the works and themes of Hesse one of the most perennially relevant and widely read German authors The Fairy Tales of Hermann Hesse Hermann Hesse, 1995 A collection of twenty two fairy tales by the Nobel Prize winning novelist most translated into English for the first time show the influence of German Romanticism psychoanalysis and Eastern religion on his development as an author The Hesse-Mann Letters Hermann Hesse, Thomas Mann, 1976 **Hermann Hesse** Harold Bloom, 2003 Hermann Hesse's introspective lyrical writing won him praise from the literary world while his sense of estrangement from industrialized civilization and endorsement of pacifism brought him wide popular approval Winner of the Nobel Prize for The Glass Bead Game Hesse renders life's callings in a way that has called

readers to a renewed sense of purpose and possibility **Hermann Hesse on Brush and Pen** Hermann Hesse,1989

Siddhartha-An Indian Tale Hermann Hesse,2002-04-22 In the shade of a banyan tree a grizzled ferryman sits listening to the river Some say he s a sage He was once a wandering shramana and briefly like thousands of others he followed Gotama the Buddha enraptured by his sermons But this man Siddhartha was not a follower of any but his own soul Born the son of a Brahmin Siddhartha was blessed in appearance intelligence and charisma In order to find meaning in life he discarded his promising future for the life of a wandering ascetic Still true happiness evaded him Then a life of pleasure and titillation merely eroded away his spiritual gains until he was just like all the other child people dragged around by his desires Like Hermann Hesse s other creations of struggling young men Siddhartha has a good dose of European angst and stubborn individualism His final epiphany challenges both the Buddhist and the Hindu ideals of enlightenment Neither a practitioner nor a devotee neither meditating nor reciting Siddhartha comes to blend in with the world resonating with the rhythms of nature bending the reader s ear down to hear answers from the river Siddhartha by Herman Hesse Illustrated Edition Herman Hesse,2021-05-25 It is the story of the quest of Siddhartha a wealthy Indian Brahmin who casts off a life of privilege and comfort to seek spiritual fulfillment and wisdom On his journey Siddhartha encounters wandering ascetics Buddhist monks and successful merchants as well as a courtesan named Kamala and a simple ferryman who has attained enlightenment Traveling among these people and experiencing life s vital passages love work friendship and fatherhood Siddhartha discovers that true knowledge is guided from within

As recognized, adventure as well as experience approximately lesson, amusement, as well as bargain can be gotten by just checking out a book **Hermann Hesse** after that it is not directly done, you could endure even more just about this life, on the world.

We have enough money you this proper as skillfully as simple exaggeration to acquire those all. We find the money for Hermann Hesse and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this Hermann Hesse that can be your partner.
