Things Hidden Richard Rohr, 2022-02-01 There are a number of misconceptions about the Bible Many look at it as information only but what they are missing is the key the Bible is about transformation World renowned author Richard Rohr invites you to revisit the Bible to experience the Scripture as spirituality This can help your relationship with God evolve into something more meaningful and fulfilling This book will help you discover how reading the Bible and understanding it in a new way can change your life Only when the two come together inner and outer authority do we have true spiritual wisdom We have for too long insisted on outer authority alone without any teachings of prayer inner journey and maturing consciousness The results for the world and for religion have been disastrous I offer these reflections to again unite what should have been separated Sacred Scripture and Christian Spirituality from the introduction This spiritual companion unearths the Bible's take on morality power wisdom and the generosity of God in a way that demands a life changing response from believers It illustrates the Biblical God as full of grace and abundance and who calls us to be fully alive in a world full of scarcity judgement and fear Rohr's intention is to revitalize your relationship with the Bible and leave you feeling hopeful fulfilled and better able to embody a Christ based spirituality This in turn will help you to change how you treat yourself others and the world

Exposing Hidden Worlds Michael Burgan, 2017-07-01 President Theodore Roosevelt called Jacob Riis the best American I ever knew The pioneering photojournalist an immigrant from Denmark drew attention

to the poverty and evils of slum life in the late 1800s Riis won national acclaim when his photos illustrated his bestselling book *How the Other Half Lives*. The book focused on the difficult time immigrants faced as thousands of newcomers flooded into the United States each year. Riis called for reform and hoped to prod government officials to help the poor people who were forced to live under horrible conditions. The impact of Riis' photos came from capturing the poor and homeless as they lived and worked with the subjects' eyes often staring directly into the camera. The great photographer Ansel Adams called them magnificent achievements in the field of humanistic photography. But the reforms that came from Riis' work have not eliminated urban poverty and homelessness and important work remains to be done.

Writings of Rabbi Nachman of Bratslav Zvi Mark, 2015-04-24 Zvi Mark uncovers previously unknown and never before discussed aspects of Rabbi Nachman's personal spiritual world. The first section of the book, *Revelation*, explores Rabbi Nachman's spiritual revelations, personal trials, and spiritual experiments. Among the topics discussed is the powerful *Story of the Bread*, wherein Rabbi Nachman receives the Torah as did Moses on Mount Sinai, a story that was kept secret for 200 years. The second section of the book, *Rectification*, is dedicated to the rituals of rectification that Rabbi Nachman established. These are principally the universal rectification, the rectification for a nocturnal emission, and the rectification to be performed during pilgrimage to his grave. In this context, the secret story *The Story of the Armor* is discussed. The book ends with a colorful description of Bratslav Hasidism in the 21st century.

Commentary -- Volume 4 - Numbers Michael Leo Samuel, 2022-09-20 The epitaph on Maimonides's tombstone reads From Moses the prophet to Moses there was none like Moses Maimonides The name Moses Maimonides 1138-1204 is an acronym for his Hebrew name Moses ben Maimon For centuries yeshiva scholars and students alike affectionately refer to him by the epithet the Rambam Just as the original Moses became the founder of the religion of ancient Israel Moses Maimonides redefined Judaism for the future generations more so than any other Judaic thinker or Halakhic scholar who came before or after him Modern Judaism owes its conceptual and legal foundations to this remarkable thinker This remarkable person occupies a rare position in the annals of Jewish history and is widely considered as one of the greatest Jewish thinkers and philosophers who ever lived Maimonides stature reached almost mythic proportions Jews of all modern religious persuasions from the ultra liberal to the Haredi branches of Orthodoxy each claim Maimonides as their patron hero Both Christian and Islamic thinkers held Maimonides who refer to him as Musa ibn Maymun in Arabic writings in high regard __ I have been impressed with the writings of Rabbi Michael Leo Samuel ever since I read his first book on Philo I enjoyed the comprehensive nature of his writings and the many insights in his books I liked that he described Philo's views in an easy to read manner and compared Philo's views with those of many ancient and modern writers Since that time I wrote six reviews of his Philo books and praised them all There is much in them that will interest and teach both scholars and readers who had no idea beforehand about this first century philosopher or just a little information about him Reading Rabbi Samuel's books will introduce readers to a large number of Philo's ideas those of other thinkers on the ideas including the Talmuds and Midrashim and about philosophy and Judaism generally Thus when Rabbi Samuel asked me to write the Foreword to his first book on Maimonides I was very pleased to accept his offer both out of respect for his scholarship and because I wrote many books and articles on Maimonides myself Rabbi Dr Israel Drazin __ Rabbi Michael Leo Samuel is the son of a Holocaust survivor He holds two rabbinic ordinations from the Tomchei Temimim Lubavitch Yeshiva of 770 Eastern Parkway Brooklyn and holds a D Min degree from the San Francisco Theological Seminary He is an avid student of the Greek classics Biblical and Talmudic scholarship Jungian Psychology Western Medieval Theology Modern Philosophy and 20th century psychology He is the author of *The Lord Is My Shepherd The Theology of the Caring God* 1996 *Birth and Rebirth Through Genesis* 2010 *A Shepherd's Song Psalm 23 and the Shepherd Metaphor In Jewish Thought* 2014 and *Rediscovering Philo of Alexandria A First Century Jewish Commentator Volumes 1-5* 2014-2018 **Hidden in His Own Story** Andrew Walton, 2016-11-22 *Hidden in His Own Story* is an invitation to reconsider and re-imagine both the humanity and divinity of Jesus It is an invitation to people who are not familiar with the Bible stories and have only heard them through other sources also to many who have rejected traditional interpretations of the stories as religious dogma and to many people who are so steeped in the stories

that they have become cliché. Even the most clever storyteller or writer of fiction can never totally disguise or deny their personal influence on the story. And most of us have had the experience of someone beginning a story with "I know a person who" when in fact that person is the one telling the story. Why not imagine the same when Jesus says, "Once there was a man..."
