Wapnick,Foundation for Inner Peace,1982 *A Course in Miracles - Explanations of Major Themes* Michael
Dawson,2017-05-05 A Course in Miracles can be difficult to understand on first reading as it is written on quite a high
intellectual level It can help to read some introductory material alongside a study of the Course This series of articles and
diagrams is presented with that in mind This eBook begins with some brief introductory material covering how A Course in
Miracles came what it is and a summary with charts It is followed by a collection of 33 articles and diagrams I have written
over recent years they explore many of the themes found in the Course including the metaphysical and practical teachings At
the end of this book you will find two bonus chapters Healing Ourselves and The Ladder of Forgiveness excerpts from two of
my other books Healing the Cause and The Findhorn Book of Forgiveness A Course in Miracles has been the inspiration for
this book What I have written is my own interpretation of some of the principles in the Course and as such it cannot match
the depth and purity of the original teaching If you find my writings of interest I would encourage you to study the Course s
teaching for which there can be no substitute **Eternal Life and A Course in Miracles** Jon Mundy,2016-10-04 You do
not live here We are trying to reach your real home We are trying to reach the place where you are truly welcome We are
trying to reach God A Course in Miracles W 49 4 5 There is no bigger mystery nothing more compelling than the desire to
know about life after life Jon Mundy the respected longtime teacher and interpreter of A Course in Miracles now investigates
that enigma using insights from the Course on mortality death and the afterlife Mundy discusses facing death and learning to
let go the ephemeral nature of the physical body and the eternal reality of the mind and the reawakening of our Spirit as the
one true home It s a book filled with hope and a way to alleviate our fear of death **The Fifth Disciple** Cynthia
Bove,2011-11-16 This book correlates teachings from several profound texts namely the spiritual philosophy of A Course in
Miracles and a rendition of The Gospel of Thomas a collection of Sayings from the time of Jesus The hidden keys unearthed
from these combined resources will help us delve deeper into the metaphysical meanings of life and strive to answer
universal spiritual questions that have eluded mankind s awareness for generations We will endeavor to understand our
purpose in life and our reason for being Our aim is to methodically decipher how to draw closer to our Source and to
understand how to overcome past obstacles that have prevented that joyous reunion from occurring As we embark upon the
path of forgiveness our perceptions will change as to what we consider real and important We become joyfully reacquainted
with a different Guide than we have traveled with in the past One who will smooth our way and make straight our path With
these keys in hand we will gain the knowledge that enables us to see beyond form to the formless and unite once again with
the flawless Vision that sees our True Self as it really is **Routledge Library Editions: Spiritualism** Various,2022-07-30

The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology
