Hezekiah who was aware of God's presence in past events had a personal relationship with God via a powerful prayer life and trusted in God's help for current events in his life. One thing he lacked was his concern for future generations. God convicted my heart that I was lacking this as well. Not sure what to do, I prayed that God would show me a book. Since I will not be around forever to share my faith with future generations, I can share my faith through a book. This is the first and possibly the only book I will write. I will leave that up to God. This is a collection of prayers and writings regarding some truths God has revealed to me. An invitation to you to draw near, speak to God about what is on your heart, then be still and know that He is God. This is the sacrifice God wants from us. He wants us to share our heart with him and trust him and his word to guide our lives. Talk to God about anything you would: a family member, best friend, co-worker, etc. God wants us to come to Him first.
