Go Directly To The Creation:

The Creation Timothy Williams, 2017-02-21 The Creation by Timothy Williams In every religion there is something powerful out there that could help you in the time of trouble giving you guidance protection comfort and hope Through studying different religions from Christianity to Wicca the author has found that most religions have a God or Goddess that is worshipped People believe that they can create anything that they wish to be righteous Someday an event such as this can happen to the world A powerful being is ready to take on anything that confronts it From a small boulder to a nuclear warhead it is not human It doesn't matter what you try you will not stop it Your best bet is to leave it alone or be on its best side because if you don't leave it alone pray that it doesn't come after you So beware your surroundings any time and any place this thing could show up in front of your face If it does it's your choice of destiny make the right one or deal with The Creation Creation of History Michael R. Cosby, 2021-09-30 In this groundbreaking study Michael Cosby uncovers the unknown history of the transformation of the Apostle Barnabas from a peacemaker to a warrior saint Modern Cypriot beliefs about Barnabas diverge significantly from the New Testament depiction of the man as a leader involved in creative solutions to ethnic conflicts in the early church Over the centuries he morphed into a symbol of Greek Cypriot nationalism bequeathing his power to the archbishop in Nicosia This modern mythical St Barnabas resulted from a complicated blend of religious and political maneuvering at key points in the history of Cyprus Orthodox clergy made a consensus builder complicit in the ongoing strife between Greek Cypriots and Turkish Cypriots Cosby's thought provoking book challenges readers to ponder their own beliefs to sort through what is history and what is legend God, Creation, and Tools for Life Sylvia Browne, 2009-11 GOD CREATION AND TOOLS FOR LIFE Does God exist Was the world created or did it evolve Where am I in the big picture of the universe Most people have asked these questions but have no clear answers However renowned psychic Sylvia Browne does and in this fascinating book she shares her 40 years of investigation into these issues Drawing from thousands of research sessions with Francine Sylvia's spirit guide along with Sylvia's own understanding of a number of riveting topics that are pertinent to humanity as a whole you will have access to information that is mentally profound spiritually moving and eminently logical Sylvia's spirit guide Francine who resides on the Other Side lives within the presence of God and has access to a wealth of knowledge about the nature of creation Sylvia then becomes the human voice for Francine and is able to share the fruits of her wisdom We are assured that God will respond to all questions our job is to ask the right questions and be receptive to the answers we receive In so doing we gain valuable tools for life **Stones of Creation** R.
