Go Slow Now:

A Great Healing John C. Davis, 2021-04-22 In the midst of the COVID 19 pandemic our world is in a kind of pain that it hasn't seen in a long time. But we have gone through many periods of great difficulty and somehow survived and the same will occur again. In *A Great Healing* author John C. Davis presents a series of essays written during the COVID 19 pandemic. Coming from a place of love and compassion, he writes about the many ways we can be a more loving society. Although his essays emerged from a need to cope with a particular time in history, the principles he explores are universal and applicable to any challenging or life-altering situation. Davis provides a healing balm for your soul and a guiding light to help you recognize the source of your healing, bringing you home to the reality of your beautiful soul. Uplifting and encouraging, this series of essays takes you on a journey to discover your inner strength through compassion, allowing you to overcome the challenges of our times.

Tell Me a Story Dante Fabiello, 2010-04 Once upon a time there was a little girl called Alexandra who asked her daddy, "Daddy, please tell me a story." Well, this is my story on how I created thousands of children's stories. These stories come from a world where animals of all kinds all talk and learn like children about life. Around the age of three, my daughter got tired of me reading little kiddie stories and asked me, "Daddy, please tell me a story." So every night I would make up a new short story. One day when she was 7 years old, I decided to tape these stories so she could hear them over and over. Well, that went on for 7 more years with over 110 hours and over 3,000 stories. There are so many stories that I will have to write many more volumes. So here we are: the first book is published and now kids all over the world can enjoy them as my daughter did for many years. The time you spend with your child is most rewarding. Never get tired of loving, kissing, and hugging them no matter how old they get. Please view the book website by clicking here. Please view sample stories from the book by clicking here.

In the Moment Sandra M. Bringer, 2012-02 *In the Moment* presents a gritty series of short stories focusing on characters who are raw, honest, unredeemable, marginal, spiritual, and beautiful. Chronicling scenes from life made vividly authentic, all the players are genuine people we might be or know: snapshots of everyday life. Chance a moment with a stranger and experience unexpected events. Struggle along with a family whose child will never be any better than at that moment. Stay with a rape victim through the horrific aftermath of her trauma. Run for safety in a war zone and smell the Devil's missile. Get tipsy and dance with grannies or pine for an ex. Grieve for a life wasted behind prison bars. Does an event define a life or does the individual define the event? Is it a combination of both or is it something else entirely? For the short stories of *In the Moment*, the moment is now, good or bad. That defining moment in a person's life can say volumes about his or her character. We may never know more than we do now: the next step in life's dance is conjecture, a mystery, an uncertainty, but its part in the story is vital nonetheless.

Confidence Alan Loy McGinnis, 1987-01-01 Helps readers build inner strength, handle rejection, develop uniqueness, keep flaws in perspective, make friends with one's body, find a place to excel, expand one's network of love, and help others become more confident in a book that includes fascinating stories and
