## Gute Reise:

Modern German Grammar Bill J. Dodd, 2003 Modern German Grammar is an innovative reference guide to German as it is spoken and written today *Gute Reise ! Vivet* D'costa, 2018-09-22 Life is a journey Most of us always associate a journey with travelling a distance But the journey of life is one that is traversed through time From the time we are born to the time we die we traverse through the years it s a trip of a lifetime if I may say so Have you ever tried finding a place without stopping and asking for directions just because you assumed you would find it easily Or worse still reaching an entirely different location just because someone unwittingly gave you wrong directions and you just went along I am sure you know the feeling I am talking about Well we have got wiser over the years and experiences We now make sure we check the online maps so we know we are traveling right Wouldn t it be nice to know and see if perhaps we were traversing right as well So do I have it all figured out Or do I have my life all mapped out that I can guide you Hardly so After all it is a journey of a lifetime and each day is new with what it puts before us However I believe we are all essentially the same Old or young married or unmarried working or homemaker boy or girl we cling to those we love the most our families our relationships and those dear to us and we hurt just the same because we share the same heart A heart that loves a heart that hurts and between these two basic feelings we are all bonded together So I am like you and you are like me and the essence of our lives is in the way we love and heal from hurts For this reason even though I have not met you I still understand you and I on my part know you will understand my writings in this book Have a good trip Gute Reise *War Bread* Edward Eyre Hunt, 1916
