Hall Caine C. Fred Kenyon, 2015-07-18 Excerpt from *Hall Caine The Man and the Novelist* In preparing this monograph on Mr Hall Caine I have devoted much more attention to his earlier life than to those years during which he has been before the public as a novelist The reasons for this are obvious the chief one being that the early life of a famous man with its struggles against circumstance and its slow oft impeded progress towards success is of much more interest to the general reader than that part of his life which is passed immediately under the gaze of all interested in him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
