**Here is the Southwestern Desert in Bloom** W. Hubert Earle, 196?      Here Is the Arctic Winter Madeleine Dunphy, 2012-10-24 The Arctic winter is cold snowy and dark The barren landscape is covered by a layer of snow that stretches to the horizon with nothing to disrupt it but jagged rocks There are only a few plants and no sunlight And yet there are animals hardy enough to survive this bleak environment the arctic wolf hare cod and fox the snowy owl polar bear ringed seal and Peary caribou all inextricably linked together in the chain of life With lyrical text and glowing paintings that capture this mystically beautiful environment with stunning realism this unusual book fascinates and inspires children of all ages

Here Is the Wetland Madeleine Dunphy, 2012-10-24 Here is the water both shallow and still that soaks the soil of this murky moist world Here is the wetland It is known as the wetland Atop its glittering surface and below in its shadowy depths birds bass minks and muskrats struggle to survive and flourish Madeleine Dunphy's lyrical prose provides a clear understanding of how each living creature links to the other in a vital chain of life Artist Wayne McLoughlin adds a stunning visual perspective with luminously detailed paintings that convey the fragile beauty and complexity of this fascinating and critically important ecological community      *Flowers of the Southwest Deserts* Natt Noyes Dodge, 1958      Here Is the African Savanna Madeleine Dunphy, 2012-10-24 Exotic environments like the African savanna have long held a fascination for young readers This colorful picture book beautifully evokes that realm with images of giraffes lions hippos elephants and many more animals of the plains Through cumulative singsong verse young readers learn how all living things in this important ecological community rely on one another for their existence The book brings home the important lesson that when one of these animals or plants is killed off or goes extinct the web of life is broken Luminous paintings by Tom Leonard
