The Secret Life: Being the Book of a Heretic Elizabeth Bisland, 2019-12-05 In *The Secret Life: Being the Book of a Heretic* Elizabeth Bisland presents a provocative exploration of the dualities inherent in the human experience. Richly interwoven with her own philosophical inquiries, the narrative reveals the tension between conventional morality and the pursuit of personal truth. Utilizing a candid and introspective literary style, Bisland crafts a compelling meditation on heretical thoughts that challenges the societal constructs of her time. The book stands as a testament to the intellectual currents of the late 19th century where emerging ideas about individuality and existentialism confronted the limitations imposed by orthodoxy. Elizabeth Bisland was not only a prolific writer but also a notable figure in the literary circles of her era, serving as a correspondent and editor for various publications. Her diverse experiences, including travels that broadened her worldview and interactions with prominent literary figures, profoundly influenced her perspective. Bisland's own status as a woman navigating a male-dominated literary landscape imbues her work with a unique subversiveness that resonates with her explorations of identity and liberation. Readers looking for a thought-provoking delve into the complexities of belief and the human condition will find *The Secret Life* an invaluable addition to their literary repertoire. Bisland's eloquent prose and daring ideas invite contemplation, making this work essential for anyone interested in the intersections of gender, philosophy, and literature.

Heretic Blood Michael W. Higgins, 2016-10-31 Thirty years after his death, we are finally catching up to Thomas Merton as one of the greatest spiritual figures of the twentieth century. The genius and spirituality of this unusual man could not be contained in his life as a monk but spilled over richly into his life and work as a poet, critic, rebel, sage, and even artist and photographer. Merton was aware that he had heretic blood within him, and it soon became apparent to the world. The balding French-English intellectual, living as a Trappist monk at Our Lady of Gethsemani Abbey in Kentucky, took a vow of silence yet corresponded with and befriended such luminaries as Joan Baez, Jacques Maritain, John Howard Griffin, Martin Luther King Jr., Erich Fromm, and Boris Pasternak. His famous autobiography *The Seven Storey Mountain* captured the imagination of a generation, selling more than six hundred thousand copies in its first year. Merton also took a vow of obedience yet feuded constantly with his second abbot. As a monk, he promised to remain celibate yet he found himself passionately in love with a nurse he met while in hospital in Louisville, Kentucky. And at the end of his life, Merton, a monk within the Western Roman Catholic tradition, was moving closer and closer to Eastern spirituality. This brilliant new book is the first to use recently released diary entries and correspondence by Merton and includes new insights about the recently published diary of his episode of the heart. Higgins compares Merton with

William Blake the monk's intellectual and spiritual hero and comes to startling conclusions about the emotional and intellectual passions that drove Thomas Merton a man and thinker for all seasons The English Heretic Collection Andy Sharp,2020-10-13 From its inaugural Black Plaque in honour of Witchfinder General director Michael Reeves this unique collection follows a veridical trajectory to the frontiers of belief Reeves film becomes a conspiratorial cauldron drawing in a host of tragic players in the end game of the Sixties The Cornwall of Du Maurier's The Birds is ploughed to reveal the hidden psychic codes of our Blitz spirit In a powerfully relevant occult rendering of a bruised Island the myth of Churchill is dissected and re-animalised New maps of hell are drawn by colliding the forensic vision of JG Ballard and Lovecraftian magic Actors witches and psychopaths maraud across a nightmare terrain of murderous henges and abandoned military bases conflating creative research into a surreal documentary history as hallucination Geography becomes an alchemical alembic a vale of soul making distilled by the lysergic psychobiology of Stanislav Grof the alcoholic lyricism of Malcolm Lowry and the convulsive travelogues of the Marquis de Sade If history is revealed as paranoid ritual how do we escape its time traps to wild new imaginative geographies The English Heretic collection is a darkly comical urgently lyrical mental escape hatch from the hells of our own making The Witch's Cookbook Deanna Huey,2023-07-04 Conjure up enchanting recipes worthy of legendary witches Gather round your cauldron and summon your culinary senses The Witch's Cookbook brings you 75 recipes and gorgeous photographs inspired by literature film and television's most adored witches Start your magical journey with five charming chapters Cast your best Bewitching Breakfasts and Beginnings invoke Snacks Starters and Sances captivate your coven with Enticing Entrees and Enchantments reveal Desserts Delights and Divinations with a flick of your wand and pour potions with Beldam Brews and Beverages Whip up beguiling recipes inspired by your favorite shows such as Cold Blooded Jelly Donuts Piper's Wheat Germ Pancakes Aunt Hilda's Truth Cake Marthe's Special Cake Arthur Duncan's Brose Pudding Chihiro's Onigiri Nose Twitch Coq a Vin Poor Unfortunate Soul Octopus Life Potion The Green Elixir Get your cauldron crackling with dozens of recipes from snacks and small bites to treats and cakes to warming drinks and cocktails as you immerse yourself in your favorite stories worthy of Wiccans with recipes from The Witch's Cookbook **Dixie Heretic** Tennant McWilliams,Tennant S. McWilliams,2023-09-22 Dixie Heretic is a life and times biography of the minister and social reformer Renwick C Kennedy 1900 1985 an impassioned tortured man who strove ardently to make his white Alabama congregants more Christian by acknowledging their own racism and greed and who not only lived but chronicled carefully many of the forces culminating in the right wing conservative movement today As McWilliams relates Kennedy came from upcountry South Carolina a place rife with Scotch Irish Associate Reformed Presbyterians They lived by biblical infallibility and a strain of individual piety and salvation focused on the hereafter In the early 1920s however his ministerial studies took him to Princeton Theological Seminary There he encountered the Presbyterian Conflict over science fundamentalism and the social gospel and he emerged a radical Christian socialist Like a few other articulate practitioners of Neo orthodoxy young

Kennedy stayed true to the literalist Bible and the salvation and piety allegiances of his youth But he embraced not only the Social Gospel s mandate to solve earthly problems of poverty and prejudice but many cardinal tenets of modern science as well To Kennedy this posed no contradiction In 1927 Kennedy moved to Camden Alabama the seat of Wilcox County where he soon married and started a family Meanwhile his ministry for social change dominated his Wilcox pastorates filled with the very people from whom he derived the Scotch Irish Quietly he came to believe that God had a mandate for him to confront and change the behaviors and beliefs of his congregations notably their attitudes about race and poverty And to do this he found he had to attack what he considered traditionalist Christian hypocrisy half Christianity or non social gospel Christianity some of which he came to see as a form of proto fascism if not fascism itself He soon turned to penning confrontational short stories many published in Christian Century and some in the New Republic and set in his fictitious Yaupon County In some of these stories he overtly revealed his allegiances as a Social Gospel Christian and as an adamant supporter of Franklin Roosevelt s Democratic party He spared no one not even members of his own congregation He also abandoned his pacifism and urged US intervention in World War II he hoped that the defeat of racial fascism abroad might somehow grow white hearts at home Ultimately to help eliminate the anti Christ the mad dog Hitler Kennedy joined the U S Army As a chaplain with the famed 102nd Evacuation Hospital he experienced some of the most horrific chapters of the conflict Saint Lo the Battle of the Bulge and arrived at Dachau a mere week after German soldiers fled The postwar world gave Kennedy periods of optimism and hope He returned from the war believing America might deal with its own racial issues the way it had treated Europe and Japan s His own children grew into educated enlightened and thriving adults And new developments in his professional life brought considerable increases to his family income easing his wife s long financial insecurities Yet these years also offered a great many frustrations Even by 1948 he knew his Social Gospel hopes about racism fascism and white entitlement especially among his fellow Scotch Irish were na ve at best The rise of the Dixiecrat movement a key Dixiecrat leader Alabama State senator J Miller Bonner was a member of his own congregation only deepened his sense of personal defeat Even so the rise of the civil rights movement in the 1950s and 1960s and occasional developments in state and national politics rekindled at least some of his old Neo orthodox hope and drive He played a significant role in desegregating Troy State University for instance but the gratifications of even small victories proved fleeting dashed by the assassinations of Dr King JFK and RFK and the growing numbers of southern white Republicans and Wallaceites In Kennedy s increasing down times he was privately the self professed Christian and a Democrat seeing national Republicans as sinners for their growing embrace of white southern racial conservatives A long term functional alcoholic this privately persistent Neo orthodox Christian never ceased agonizing over the growing half Christianity around him Indeed he died worrying about what it portended for the role of white supremacist proto fascists in modern America aware of having made few inroads on God s mandate and what he considered white Christian wrongs in Alabama While Renwick Kennedy was front loaded for the

failure he indeed found still in the values and social norms he pondered and challenged at every stage of his life and today so badly in need of recommitment he stands as a good citizen a non hypocritical Christian and an emblem of hope Heretic Queen Susan Ronald,2012-08-07 Acclaimed biographer Susan Ronald delivers a stunning account of Elizabeth I that focuses on her role in the Wars on Religion the battle between Protestantism and Catholicism that tore apart Europe in the 16th Century Elizabeth's 1558 coronation procession was met with an extravagant outpouring of love Only twenty five years old the young queen saw herself as their Protestant savior aiming to provide the nation with new hope prosperity and independence from the foreign influence that had plagued her sister Mary's reign Given the scars of the Reformation Elizabeth would need all of the powers of diplomacy and tact she could summon Extravagant witty and hot tempered Elizabeth was the ultimate tyrant Yet at the outset in religious matters she was unfathomably tolerant for her day There is only one Christ Jesus one faith Elizabeth once proclaimed All else is a dispute over trifles Heretic Queen is the highly personal untold story of how Queen Elizabeth I secured the future of England as a world power Susan Ronald paints the queen as a complex character whose apparent indecision was really a political tool that she wielded with great aplomb

The Complete Writings of an Italian Heretic Olympia Morata,2007-11-01 Winner of the 2004 Josephine Roberts Edition Prize from the Society for the Study of Early Modern Women A brilliant scholar and one of the finest writers of her day Olympia Morata 1526-1555 was attacked by some as a Calvinist Amazon but praised by others as an inspiration to all learned women This book publishes for the first time all her known writings orations dialogues letters and poems in an accessible English translation Raised in the court of Ferrara in Italy Morata was educated alongside the daughters of the nobility As a youth she gave public lectures on Cicero wrote commentaries on Homer and composed poems dialogues and orations in both Latin and Greek She also became a prominent Protestant evangelical studying the Bible extensively and corresponding with many of the leading theologians of the Reformation After fleeing to Germany in search of religious freedom Morata tutored students in Greek and composed what many at the time felt were her finest works a series of translations of the Psalms into Greek hexameters and sapphics Feminists and historians will welcome these collected writings from one of the most important female humanists of the sixteenth century *Heretic's Heart* Margot Adler,2013-05-28 Starting in 1964 writes Margot Adler in this dazzling memoir I found myself mysteriously at the center of extraordinary events Now a correspondent for National Public Radio Adler was a young woman determined to be taken seriously and to be an agent of change on her own terms free from dogma and authoritarian constraints From campus activism at the University of California at Berkeley to civil rights work in Mississippi from antiwar protests to observing the socialist revolution in Cuba she found those chances in the 1960s Heretic's Heart illuminates the events ideas passions and ecstatic commitments of the decade like no other memoir At the book's center is the powerful and unique correspondence between Adler then an antiwar activist at Berkeley and a young American soldier fighting in Vietnam The correspondence

begins when Adler reads a letter the infantryman has written to a Berkeley newspaper I've heard rumors that there are people back in the world who don't believe this war should be I'm not positive of this though cause it seems to me that if enough of them told the right people in the right way then something might be done about it You see while you're discussing it amongst each other being beat getting in bed with dark haired artists some people here are dying for lighting a cigarette at night Heretic's Heart also explores Adler's attempt to come to terms with her singular legacy as the only grandchild of Alfred Adler collaborator of Freud and founder of Individual Psychology and as the daughter of a forceful beauty who bequeaths her spunk and adventurousness to her daughter but whose overpowering personality forces Adler to strike out on her own Adler's memoir marks an initiatory journey from spirit through politics and revolution back to spirit again Revealing funny joyful and often wise Heretic's Heart will restore the spirit of the 1960s the passion the confusion the sense of social transformation and limitless possibility and the ecstatic feeling that the world is on the cusp of change **Heretic** Robbie
