The Oxford Handbook of Deification Paul L. Gavriluk, Andrew P. Hofer, Matthew Levering, 2024-07-19 Modern theological engagements on deification have undergone two major paradigm shifts First the study of deification shifted from the periphery of theological discourse to its center For Adolf von Harnack deification was a pagan import that fatally corrupted and distorted the Gospel message of salvation In response the positive retrieval of the concept of deification belongs to the early years of the twentieth century By the 1910s in Russian religious thought and by the 1930s in much Roman Catholic theology deification had become a magnet concept attracting attention from many different viewpoints The second important shift relates to how deification is characterized Recent studies question the exclusively Eastern character of deification and draw attention to the engagements of this theme in Latin patristic and later Western Christian sources Reassessing the evidence for these two major shifts The Oxford Handbook of Deification comprehensively explores the points of convergence and difference on the constitutive elements of deification in different traditions and offers a foundation for ecumenical and interreligious dialogues The Handbook s first part analyzes the cultural and scriptural roots of deification the second part explores the most significant historical contributions to the understanding of deification in the early medieval and modern periods the third part develops systematic connections Readers will discover a surprising breadth depth and diversity of theologies of deification in Christian traditions Throughout the Handbook leading scholars in the field of Deification Studies propose vital new insights from a variety of perspectives for this central mystery at the heart of the Christian faith

Padilla, The crescendo Aeden and his allies have chased Izhrod Benzal across the breadth of Dizhelim They re closing in with the goal of putting an end to the magic using villain hopefully before he can bring into the world more of the dark creatures who will destroy all life The Song of Prophecy is being fulfilled Or is it Aeden Tannoch is still not sure if he s the one prophesied to save them all but he will give it all he s got even to his death It looks very likely that will be the price The paths of all of Aeden s heroic friends converge in the final book of the Song of Prophecy

Register, 1991-06-07 *The Ancient Greek Hero in 24 Hours* Gregory Nagy, 2020-01-07 What does it mean to be a hero The ancient Greeks who gave us Achilles and Odysseus had a very different understanding of the term than we do today Based on the legendary Harvard course that Gregory Nagy has taught for well over thirty years *The Ancient Greek Hero in 24 Hours* explores the roots of Western civilization and offers a masterclass in classical Greek literature We meet the epic heroes of Homer's *Iliad* and *Odyssey* but Nagy also considers the tragedies of Aeschylus Sophocles and Euripides the songs of Sappho and Pindar and the dialogues of Plato Herodotus once said that to read Homer was to be a civilized person To discover Nagy's Homer is to be twice civilized Fascinating often ingenious A valuable synthesis of research finessed over thirty years *Times Literary Supplement* Nagy exuberantly reminds his readers that heroes mortal strivers against fate against monsters and against death itself form the heart of Greek literature He brings in every variation on the Greek hero from the wily Theseus to the brawny Hercules to the monolithic Achilles to the valiantly conflicted Oedipus Steve Donoghue *Open Letters Monthly*

A Time for Heroes Frank Barnard, 2012-03-29 War makes heroes of men but at what price Sure to enthral fans of *Masters of the Air* and *Fall of Giants* *A Time for Heroes* is a magnificent sweeping three generation historical epic encompassing both World Wars about heroism the romance of aviation and the conflict between fathers and sons As the twentieth century dawns Guv Sutro against his father's will becomes a pioneer of aviation a fighter ace on the Western Front during the Great War and a record breaker between the wars From his first flight in a primitive glider over the fields of Sussex helped by the dogged loyalty of his friend Stan Kemp he charts his ruthless course to fame and adulation But with the outbreak of World War Two the best of Old England begins to crumble Guv's son Tim is fighting a more covert war desperate to shed the burden of his father's reputation while Tim's childhood companion Will Kemp the son Guv felt he deserved is fighting heroically against overwhelming odds as a Spitfire pilot The fates of the men are bound together in the monumental ambitions and terrible tragedies of an age of heroes What readers are saying about *A Time for Heroes* A beautifully told epic of human love and error A truly great read Highly entertaining with great action scenes and moments of gut wrenching
