Heroism And The Christian Life:

Heroism and the Christian Life Brian Stewart Hook, Russell R. Reno, 2000-01-01 This volume is a literary and cultural investigation of the discord and resonance between classical ideals of heroic action and the imperatives of the Christian life from the Homeric epic to the present day Its central theme is the difficulty of recognizing imitating and participating in heroic excellence a difficulty that has been a concern for classical Renaissance and modern writers alike **Heart** Michael D. Beaty, Douglas V. Henry, 2007 The Schooled Heart addresses a basic question about the nature of the university should moral education figure among the university spurposes. This volume offers an affirmative response to that question A central purpose of the university is the moral formation of students what Beaty and Henry call the schooling of the Themelios, Volume 41, Issue 3 D. A. Carson, 2017-01-05 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition http thegospelcoalition org themelios and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary Heroes, Saints, and Ordinary Morality Andrew Michael Flescher, 2003-11-25 Most of us are content to see ourselves as ordinary people unique in ways talented in others but still among the ranks of ordinary mortals Andrew Flescher probes our contented state by asking important questions How should ordinary people respond when others need our help whether the situation is a crisis or something less Do we have a responsibility an obligation to go that extra mile to act above and beyond the call of duty Or should we leave the braver responses to those who are somehow different than we are better somehow heroes or saints Traditional approaches to ethics have suggested there is a sharp distinction between ordinary people and those called heroes and saints between duties and acts of supererogation going beyond the expected Flescher seeks to undo these standard dichotomies by looking at the lives and actions of certain historical figures Holocaust rescuers Martin Luther King Jr Dorothy

Day among others who appear to be extraordinary but were in fact ordinary people Heroes Saints and Ordinary Morality shifts the way we regard ourselves in relationship to those we admire from afar it asks us not only to admire but to emulate as well further it challenges us to actively seek the acquisition of virtue as seen in the lives of heroes and saints to learn from them a dynamic aspect of ethical behavior that goes beyond the mere avoidance of wrongdoing Andrew Flescher sets a stage where we need to think and act calling us to lead lives of self examination even if that should sometimes provoke discomfort He asks that we strive to emulate those we admire and therefore allow ourselves to grow morally and spiritually It is then that the individual develops a deeper altruistic sense of self a state that allows us to respond as the heroes of our own lives and therefore in the lives of others when times and circumstance demand that of us The Republican Hero Michael Lusztig, 2023-11-01 Politically speaking do heroes matter Are we living in a post heroic age The Republican Hero addresses both these questions The general tenor of modern thinking is that heroes do matter but that the modern age is characterized by a narrowing of moral horizons once illuminated by heroes secular and spiritual Michael Lusztig argues that the modern world is not post heroic He makes the case that the modern age is the most heroic age if measured in terms of the Aristotelian currency of balance and completeness To this end he identifies four main hero types the epic magnanimous Romantic and common Each can rightfully be called a republican hero each contributes to the promotion or protection or provision of republican values Each exemplifies the heroic virtues of their age However taken conjunctively each contributes to what Lusztiq conceives as the complete republican hero of the modern age Extreme Heroism Rev. Dr. John Prochaska, 2016-08-19 On his way to face criminal charges in 1984 a man is declared a hero by three other survivors of a commuter airline crash in northern Alberta Canada The Canadian press takes special interest in this story of an unlikely hero saving his RCMP escort the pilot and a member of parliament They describe the mans actions with a reverence and respect usually reserved for the holy saintly and spiritual These and many other similar incidents are part of a global pattern pleading for our attention The impetus behind them unites us across the divides of age gender race religion nationality and every other boundary This type of heroism goes largely unnoticed but it binds humanity together Extreme Heroism shares a variety of these stories and offers a guide to understanding and applying this response to injustice guided by indiscourageable good will It provides methods for analyzing our preferred response profile understanding our response options to injustice and overcoming the obstacles to employing the innate extreme heroism with which we were born This study presents an exploration of heroic responses to danger tragedy and the injustices of life through a variety of narratives **Discipleship in a World Full of Nazis** Mark Thiessen Nation,2022-01-20 Things of people taking extreme heroic action do exist that are worth standing up for without compromise To me it seems that peace and social justice are such things as is Christ himself These are words Dietrich Bonhoeffer spoke to his brother a few months before he began training future pastors in the ways of discipleship For several years he had been speaking out against war Near the beginning of the anti

Semitic Nazi regime he called on his fellow Christians to speak out against a state that was engaging in oppressive measures to respond to victims of oppression and to be willing to suffer as a church if it was required to stop such oppression His vision for training disciples was rooted in pure doctrine serious worship a new kind of monasticism and the Sermon on the Mount Bonhoeffer was convinced that through the living presence of Jesus and the explosive teachings of the Sermon on the Mount lies the force that can blow all this hocus pocus sky high like fireworks leaving only a few burnt out shells behind This is the legacy of this extraordinary theologian that this book seeks to recover exploring how this was lived out in a world full of **The Cloister Book** David James Burrell, 1909 The Boswellian Hero William C. Dowling, 2008-07-01 Boswell s Life of Johnson Tour of the Hebrides and Tour to Corsica are controlled argues William Dowling by a single conception of the heroic character one that reaches beyond the particular narrative situation to a final vision of man's dilemma in the modern world Samuel Johnson and Pascal Paoli the great protagonists of the three major narratives Boswell published during his lifetime are heroic spirits who manage to survive in an age of spiritual disintegration only by dwelling within imperiled private worlds of coherence and belief The Boswellian Hero the first comprehensive thematic study of Boswellian narrative is also a work with strong theoretical implications for students of biography as a genre Biography exists as literature according to Dowling only in relation to formal or objective interpretations of its meaning to read the Life of Johnson as a literary work is to dissociate its biographical hero from any real or historical Samuel Johnson in the same way one dissociates Shakespeare s Richard III from Richard III of England Although The Boswellian Hero promises to establish its importance in Boswell studies immediately it will also be of significant interest to readers concerned with the hero in literature with biography as a narrative form and with the complex theoretical problem of factual or historical literature Heroism and Passion in Literature, 2004-01-01 This volume prompted by the publication in 1999 of Moya Longstaffe's remarkable study Metamorphoses of Passion and the Heroic in French Literature Corneille Stendhal Claudel further investigates and analyses the multiple appearances of Passion and Heroism in literature It pursues the exploration of these themes in a variety of cultures English French German Spanish genres and critical approaches In addition the chronological span represented is extremely wide Contributions range from La Fontaine Moli re and Voltaire to Rimbaud and Camus from Baudelaire to Beckett from Wagner to Goytisolo This very diversity gives necessary context providing scope for reflection and analysis Although passion seems timeless can heroism have any real meaning apart from an individual and existential one in our postmodern age Has a notion at the centre of European culture for so many centuries really disappeared from our intellectual and cultural universe This volume will be of interest to all students of literature whatever their critical or linguistic allegiance since it focuses on the varying manifestations of two vital ingredients of all societies and cultures

Living Theodrama Wesley Vander Lugt, 2016-05-13 Living Theodrama is a fresh creative introduction to theological ethics Offering an imaginative approach through dialogue with theatrical theory and practice Vander Lugt demonstrates a

new way to integrate actor oriented and action oriented approaches to Christian ethics within a comprehensive theodramatic model This model affirms that life is a drama performed in the company of God and others providing rich metaphors for relating theology to everyday formation and performance in this drama Different chapters explore the role of the triune God Scripture tradition the church mission and context in the process of formation and performance thus dealing separately with major themes in theological ethics while incorporating them within an overarching model This book contains not only a fruitful exchange between theological ethics and theatre but it also presents a promising method for interdisciplinary dialogue between theology and the arts that will be valuable for students and practitioners across many different fields

The Kingdom of God Is Like . . . Baseball James S. Currie,2011-09-06 Jesus used parables to teach his disciples certain truths about the gospel The parables employed word pictures such as of planting seeds and other agricultural images that were familiar to his listeners What kind of imagery could be used today to talk about the gospel Baseball America s pastime might be one source of such familiar images In this book Currie has attempted to find theological themes and to describe the gospel in the sport of baseball Nineteenth-Century Spirituality for Our Time Hecker, Isaac Thomas,2019 A selection of previously unpublished spiritual reflections by Fr Isaac Hecker founder of the Paulist Fathers
