Hesketh Pearson By Himself:

Hesketh Pearson, by Himself Hesketh Pearson, 1966 A posthumously published memoir relating his varied experiences from his boyhood through his productive career as a writer *A Life of Shakespeare* Hesketh Pearson, 2018-03-12 You are a genuine soaker in Shakespeare and have not read him as a task You have him by heart Bernard Shaw wrote in a letter to Hesketh Pearson Before he became a well known biographer Hesketh Pearson was an actor Few facts are known about Shakespeare but with an actor's eye and a supreme self confidence Pearson has drawn a recognisable portrait of Shakespeare the man even telling us the colour of his hair and of his predilection for black haired women The plays and poems are assessed in the search to discover and build up a picture of Shakespeare's character Pearson has included an anthology of his favourite lines and passages Hesketh Pearson Hesketh Pearson, 1965 **Prince of Tricksters** Matt Houlbrook, 2016-07-26 Cooling Out Has the World Changed or Have I Changed Notes Index *Thinking it Over* Hesketh Pearson, 1938 *G.B.S.* Hesketh Pearson, 2018-02-27 This book first published in 1951 is a Postscript to Bernard Shaw His Life and Personality Hesketh Pearson's biography of Bernard Shaw published in 1942 which became the standard work on Bernard Shaw It was unique among other books on the same subject because Shaw himself gave every possible help to his biographer allowing him to quote whatever he wished from published and unpublished correspondence Shaw answered every question put to him and willingly revealed a great deal of information about his own life that had not been available hitherto *G B S A Postscript* continues the story from the point at which the biography left off It describes the intimate discussions and not infrequent but always friendly disagreements which took place while it was being written Hesketh Pearson was in constant touch with Shaw throughout the last decade of his life and with Shaw's knowledge kept the biography up to date noting down immediately after their occurrence accounts of their many discussions Shaw subsequently recalled many things about his past which had previously escaped him and so many fresh sidelights on Shaw and his contemporaries are included here Not the least illuminating feature of this book is the obituary which Shaw himself contributed **Writers, Readers, and Reputations** Philip Waller, 2008 Philip Waller explores the literary world in which the modern best seller first emerged with writers promoted as stars and celebrities advertising both products and themselves **The Reminiscences of Hesketh Pearson** Hesketh Pearson, 1938 **The Lives of the Wits** Hesketh Pearson, 2009-11 No pecuniary embarrassments equal to the embarrassments of a professed wit an eternal demand upon him for pleasantry and a consciousness on his part of a limited income of the facetious the disappointment of his creditors the importunity of duns the tricks forgeries and false coin he is forced to pay instead of gold Pity a wit That was Sydney Smith feeling the strain But he needn't have worried he was possessed of an amplitude of this quality as indeed were the other thirteen subjects featured in Hesketh Pearson's survey Come to think of it Hesketh Pearson himself had no deficiency either This was a singularly congenial subject for him as he conveys with verve in chapters on Jonathan Swift Samuel Johnson R B Sheridan Sydney Smith
