For Hopeless Souls Like Me Emma Dray, 2020-08-18 A Collection of 32 poems written by me *Your Turn* Julie Lythcott-Haims, 2021-04-06 New York Times bestselling author Julie Lythcott Haims is back with a groundbreakingly frank guide to being a grown up What does it mean to be an adult In the twentieth century psychologists came up with five markers of adulthood finish your education get a job leave home marry and have children Since then every generation has been held to those same markers Yet so much has changed about the world and living in it since that sequence was formulated All of those markers are choices and they re all valid but any one person s choices along those lines do not make them more or less an adult A former Stanford dean of freshmen and undergraduate advising and author of the perennial bestseller *How to Raise an Adult* and of the lauded memoir *Real American* Julie Lythcott Haims has encountered hundreds of twentysomethings and thirtysomethings too who faced with those markers feel they re just playing the part of adult while struggling with anxiety stress and general unease In *Your Turn* Julie offers compassion personal experience and practical strategies for living a more authentic adulthood as well as inspiration through interviews with dozens of voices from the rich diversity of the human population who have successfully launched their adult lives Being an adult it turns out is not about any particular checklist it is instead a process one you can get progressively better at over time becoming more comfortable with uncertainty and gaining the knowhow to keep going Once you begin to practice it being an adult becomes the most complicated yet also the most abundantly rewarding and natural thing And Julie Lythcott Haims is here to help readers take their turn **Just Ash** Gabriel Leif Bellman, 2005-12-21 *Just Ash* is a book of poetry written over the course of a year If you notice the subtle changes in the prominence of your cheekbone elasticity of your skin if you feel a general decline in excitability over mass catastrophe then you are tuned in to the passage of time Before time passes too quickly we can capture it in word in print This book of poems is the eleventh book by Gabriel Leif Bellman who still does not get it Or maybe he does This book is the equivalent of a look in the mirror by a bottle of whiskey poured over a fire on a sinking ship What does a flame see while it burns What is left of us when we die **In Their Own Words** Bill DeMain, 2004-09-30 The interviews included in this fascinating collection of discussions with popular songwriters focus on the craft itself and as such they are of interest to both music fans and to budding songwriters What inspires songwriters Where do their songs come from What is their process What do they do when they get stuck In this book readers will hear from a vast range of well known successful songwriters many of them performers as well revealing the nuances of their skill how they write their songs from conception to finished work The book discusses both song history and style The songs discussed have defined eras and culture Full of trivia wisdom and fascinating revelations from such figures as Tori Amos Burt Bacharach David Bowie Sarah McLachlan Billy Joel and John Mayer *In Their Own Words* shines a light on what is often and inherently lonely craft It gives readers a glimpse into a mysterious process and offes rising songwriters a wealth of advice from those who have spent decades successfully
