Finally Me:

The Forbidden Trilogy Danielle Violette, 2012-10 In the first part of The Forbidden Trilogy Gabriella and Jonathan Love had life made After losing their parents to an accident their uncle Eddie took them under his wing teaching them everything they needed to know about surviving in this cruel world Neither one of them ever expected that they d have to do things a little differently after Gabby s childhood best friend and boyfriend is killed right before her eyes in an unexpected home invasion in their home in Tampa ripping their lives apart Now feeling hopeless and alone the family desperately tries to mend itself back together Except for Gabby that s a little easier than done After months of dysfunction Eddie has no choice but to go through drastic measures to ensure his niece s well being Gabby s best friend Sara steps up moving across the country with her and Jon to a small town in Northern California far away from the unbearable memories of the life that she so desperately wanted to have back What nobody could have anticipated was that right there in that small town was a coven of vampires who had been waiting years to save her Now being faced by the sexy mysterious red eyed man Benjamin Row Gabby is forced to make a forever life changing decision that would alter the lives of all of them Besides giving up her mortality Gabby is also faced with the everyday bumps in the road that only make her decision easier But will becoming a powerful vampire with her new love really change what happened to her Will Gabby grow stronger and finally accept her losses or will she be stuck with the haunting memories of her human life for all of eternity Man of Few Words Fabian M.C. Kuykendall, 2010-08-17 Man of Few Words is my story It reads like a journal that chronicles my life It s a compilation of poems songs essays short stories and thoughts derived from experiences both direct and indirect fiction and nonfiction This book is my truth my autobiography words that are written on the pages of me The irony of the title is not to be lost on the reader though I m a man of few words I have so much to say I discovered a passion for poetry at the age of fourteen During this period I was going through a lot of changes in my life I had just moved with my grandma to what was a spiritually binding neighborhood and I was just beginning high school As I felt my childhood was over I quickly fell into a depression and subsequently dropped out of school I was confused and overwhelmed by emotions that I d never felt before Feeling the need to express myself I was fatefully inspired to write I began writing what I call albums of conceptual compositions collections of poems that would later become the chapters of my book While I didn t use my entire catalogue for this book I chose the compositions that I feel best represent my artistic vision These poems are listed in chronological order revealing my journey and evolution of words This book was inspired by my irrepressible need for creative expression I always thought that I d write a book somewhere down the line but that somewhere became here and that here became now It s amazing how your destiny has a way of claiming you before you realize your destiny I used to dream of being a music producer and I thought that because I dreamed it this was what I was supposed to be But my dreams were interrupted when my true calling chose me Writing became a passion of mine because it allowed me to fully and fearlessly represent myself Anything I want to

be or say can be done with the boundlessness of artistic freedom I am free to be an artist as I paint images with words In many ways writing communicates a message more clearly and profoundly than spoken language When someone is reading your written word they are forced to listen and actually hear what you have to say I believe that the hardships I went through as a teenager was for this purpose to write these words that tell my story It might even seem like a gift from depression but I believe that my calling is a gift from God For this reason it is my obligation to share my gift I just might inspire someone else to write as they read my story and find the motivation to tell their own My goal through my words is to be the impetus that provides people with a deeper respect for the craft What I hope to accomplish with this book is to have people gain a more profound understanding of me I believe that I have a lot to offer through my words for those who are interested and willing to listen To many people I m a man of few words because I don t often reveal myself through my personality or my existence What I want these and other people to know is that there s more to me I m not just one dimensional I m a host of imperfections and contradictions with a multifaceted depth I encourage you to learn me to read my words and not my silence
