Jahrhunderts begründete er das Baburidenreich in Nordindien das bis zur Mitte des 19. Jahrhunderts existierte bevor es von den Briten erobert wurde Dies ist die von dem Historiker Helmut Dalov erstmals ins Deutsche übersetzte Kurzfassung der von Babur selbst verfassten Memoiren in denen er untypisch für seine Zeit großen Wert auf die Beschreibung der Natur und Gebräuche der Bevölkerung sowie auf die Kunst legte neben den unvermeidlichen politischen und kriegerischen Inhalten Diese zweite erweiterte Auflage von Helmut Dalov enthält viele Passagen und Erläuterungen ohne die viele Ereignisse und Zusammenhänge unverständlich blieben Das Buch vermittelt obwohl es nur die Kurzfassung ist somit ein besseres Gesamtbild über Baburs Leben und die Epoche zu seinen Lebzeiten in Mittelasien und Nordindien ohne sich in den unbedeutenden Details der Langfassung zu verlieren Zahlreiche farbige historische Miniaturmalereien Fotos und Karten runden dieses Buch ab und machen es so auch für den interessierten Laien interessant *Siamese Studies* Gustaaf Schlegel, 1901 *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, James Strong, 1883 **Prester John: The Legend and its Sources** Keagan Brewer, 2019-08-08 The legend of Prester John has received much scholarly attention over the last hundred years but never before have the sources been collected and coherently presented to readers This book now brings together a fully representative set of texts setting out the many and various sources from which we get our knowledge of the legend These texts spanning a time period from the Crusades to the Enlightenment are presented in their original languages and in English translation for many it is the first time they have been available in English The story of the mysterious oriental leader Prester John ruler of a land teeming with marvels who may come to the aid of Christians in the Levant held an intense grip on the medieval mind from the first references in twelfth century Crusader literature and into the early modern period But Prester John was a man of shifting identity being at different times and for different reasons associated with Chingis Khan and the Mongols with the Christian kingdom of Ethiopia with China Tibet South Africa and West Africa In order to orient the reader each of these iterations is explained in the comprehensive introduction and in the introductions to texts and sections The introduction also raises a thorny question not often considered whether or not medieval audiences believed in the reality of Prester John and the

Prester John Letter The book is completed with three valuable appendices a list of all known references to Prester John in medieval and early modern sources a thorough description of the manuscript traditions of the all important Prester John Letter and a brief description of Prester John in the history of cartography
