Hell of a Hat Kenneth Partridge,2021-09-14 In the late 90s third wave ska broke across the American alternative music scene like a tsunami In sweaty clubs across the nation kids danced themselves dehydrated to the peppy rhythms and punchy horns of bands like The Mighty Mighty Bosstones and Reel Big Fish As ska caught fire a swing revival brought even more sharp dressed brass packing bands to national attention Hell of a Hat dives deep into this unique musical moment Prior to invading the Billboard charts and MTV ska thrived from Orange County California to NYC where Moon Ska Records had eager rude girls and boys snapping up every release On the swing tip retro pioneers like Royal Crown Revue had fans doing the jump jive and wail long before The Brian Setzer Orchestra resurrected the Louis Prima joint Drawing on interviews with heavyweights like the Bosstones Sublime Less Than Jake and Cherry Poppin Daddies as well as underground heroes like Mustard Plug The Slackers Hepcat and The New Morty Show Kenneth Partridge argues that the relative economic prosperity and general optimism of the late 90s created the perfect environment for fast danceable music that with some notable exceptions tended to avoid political commentary An homage to a time when plaids and skankin were king and doing the jitterbug in your best suit was so money Hell of a Hat is an inside look at 90s ska swing and the loud noises of an era when America was dreaming and didn't even know it

The Incredible Gift of Schizophrenia Sighed the Host Goose Punk,2018-10-09 This book is a bunch of comprehensive thoughts on current events I was homeless for quite some time and didn't watch any television programs during that time When I got off the street and purchased my own TV my thinking had changed and things didn't seem quite right in the news It still is that bad with all sex scandals and perversion

going on in the government I just wrote what I thought about the news stories in each chapter just like I think the president right now is doing a lot of good for the country but I don't think he's gonna get away with it though I think the media and most Americans are probably so discontented that they'll remove him from office So that's what this book is about a dumb ass view of the nightly news
