walks a fine line of respecting Merida's boundaries while lusting over her body. He should have never struck up a friendship with his sassy neighbor. He knew that the moment he first saw her. This Christmas he wants one thing he can't have: her. A home disaster quickly spins out of control when Merida is called into work for a strange emergency. Finley can't shake the feeling that something isn't right. He'll stick close to her until the lines are blurred because her body is his to protect.

Dangerous in Transit Sidney Bristol, He takes his time. Retired Royal Navy Lieutenant Felix Larson thought this job would be like any other: Get in, get the girl, and get out. But this trust fund princess isn't like any other woman he's met, and she's ready to take on the whole Alpha Team to get her way. She lives in the moment. Jackie Davis is relieved when she and her medical team are rescued while on a humanitarian mission in the African country of Mauritania. Her thanks is short-lived when she butts heads with a particularly infuriating Viking-like man intent on telling her what to do. The magnetic attraction of two lovers might keep a whole country together. When the Alpha Team is attacked and their team scattered, Felix must get Jackie out of the country to stop a rogue political faction from using her as a tool in their civil war. But when their friends are taken hostage and a deadly secret emerges, it might ruin their budding romance.

Dangerous Assignment Sidney Bristol, 2017-12-19
Veteran Navy SEAL Luke Briar has a solution for every problem except when his latest job goes sideways. Things were so much simpler when all he had to worry about was how to put a smile on Abigail's face, though nothing he does chases the shadows from her eyes. Now Luke and his lovely new partner must protect a pair of criminals from people trying to kill them. Abigail is a lie. Everything about her is false, but keeping the truth from her partner is becoming increasingly difficult. Her mission was simple: kill two internationally wanted criminals and get out. But she wasn't counting on him. Luke awakens parts of her she long thought were dead. But people like her don't get second chances at life, and her betrayal will crush any happiness they might have had. Falling for Luke can't happen. When the tables are turned and someone else gets to Abigail's targets before she can, all hell breaks loose. Luke doesn't know if the woman he's fallen for is a terrorist or something worse. Explosive desire isn't a license for murder, but he can't live without her. With the authorities closing in, Luke

This article will explore the advantages of Geek Redemption books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Geek Redemption books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge.
