Oxfam Focus on Gender

Gender Development And Health Oxfam Focus On Gender

Caroline Moser

Gender Development And Health Oxfam Focus On Gender:

Gender, Development and Health Caroline Sweetman, 2001 Articles included here focus on understandings of reproductive health integrating gender issues into infectious disease prevention the impact of HIV AIDS on women working with communities to promote health and on the monitoring and evaluation of health projects from a gender perspective

Gender, Development, and Humanitarian Work Caroline Sweetman, 2001 While the difficulties of integrating gender equity goals into interventions are acknowledged the authors argue that gender blind responses can further endanger the survival of women and their families and their long term position in society and also deny them the opportunity of exercising their potential as peace builders

Gender, Development, and Health Caroline Sweetman, 2001 Gender, Development, and Poverty Caroline Sweetman, 2002 This work examines how gender inequalities impact on men s women s and children s experiences of poverty and demonstrates the importance of integrating gender analysis into every aspect of development initiatives

Gender and Development Janet Momsen, 2019-09-17 This revised and updated third edition of *Gender and Development* provides a concise accessible introduction to gender and development issues in the developing world and in the transition countries of Eastern and Central Europe The nine chapters include discussions on changes in theoretical approaches gender complexities and the Sustainable Development Goals social and biological reproduction including changing attitudes to family planning variation in education and access to housing differences in health and violence at major life stages for women and men natural disasters climate change and declining natural resources and gender roles in rural and urban areas There is also enhanced coverage of topics such as global trade sport as a development tool masculinities and sustainable agriculture Maps and statistics have been updated throughout and their coverage widened New case studies have been added on Bangladesh violence in Peru and India and halal tourism and garbage collection in the Maldives The book features student friendly items such as chapter learning objectives discussion questions and annotated guides to further reading and websites The text is enlivened throughout with examples and case studies drawn from the author s worldwide field research and consultancies with international development agencies over four decades and her experience of teaching the topic to undergraduates and postgraduates in many countries *Gender and Development* is the only broad based introduction to the topic written specifically for a student audience It will be an essential text for a variety of courses on development women s studies sociology anthropology and geography

Gender and Development Janet Henshall Momsen, 2004 Extrait de la couverture Since the classic *Women and development in the Third World* was published over a decade ago a new awareness of the importance of gender roles in development has grown Globalization international migration refugees and conditions of war have brought these issues of gender and development to the public attention At the same time gender perspectives have become central to the many United Nations meetings on development including the Beijing Women s Conference This book focuses on these new challenges and the efforts to overcome them though the

empowerment of women and men This accessible textbook provides an introduction to the topic that is based on the author's wide field experience Topical and up to date information and analysis are used throughout It contains a wealth of student friendly features including boxed case studies drawn from around the world Gender, Development and Disasters Sarah Bradshaw, 2013-04-01 Disaster research owes a lot to development studies and yet the debt is often not acknowledged In this scholarly but accessible book by Sarah Bradshaw we see a very effective linking of gender disaster and development that will be of value to academics and practitioners working in and across all these domains Maureen Fordham University of Northumbria UK Bringing gender into the foreground in both development and disaster discourse the author challenges received wisdom and offers cautionary notes about reinforcing inequalities through feminized disaster interventions The book is an outstanding platform for fundamental change in how we think about and act toward gender in disaster contexts leaving readers cautiously optimistic This is one for the top shelf a book we have been waiting for and must put to use Elaine Enarson founder Gender and Disaster Resilience Alliance Once in a while a book is published which offers an empirically and theoretically informed analysis of an under studied topic which helps to carve out a new field of enquiry Such is the case with Dr Sarah Bradshaw's breathtakingly detailed richly first hand informed and incisive account of the frequently paradoxical co-option of women into the analysis and practice of disaster in developing economies Bradshaw's eminently comprehensive well substantiated perceptive and sensitive treatment of the A to Z of gender and disaster in developing country contexts constitutes a 21st century volume which will be a definitive benchmark for scholars policymakers practitioners and feminist activists at a world scale Sylvia Chant London School of Economics UK The need to disaster proof development is increasingly recognised by development agencies as is the need to engender both development and disaster response This unique book explores what these processes mean for development and disasters in practice Sarah Bradshaw critically examines key notions such as gender vulnerability risk and humanitarianism underpinning development and disaster discourse Case studies are used to demonstrate how disasters are experienced individually and collectively as gendered events Through consideration of processes to engender development it problematizes women's inclusion in disaster response and reconstruction The study highlights that while women are now central to both disaster response and development tackling gender inequality is not By critically reflecting on gendered disaster response and the gendered impact of disasters on processes of development it exposes some important lessons for future policy This timely book examines international development and disaster policy which will prove invaluable to gender and disaster academics students and practitioners

Mainstreaming Men Into Gender and Development Sylvia H. Chant, Matthew C. Gutmann, 2000 Based on research commissioned by the World Bank this book's primary focus is on incorporating men in gender and development interventions at the grass roots level It draws attention to some of the key problems that have arisen from male exclusion as well as to the potential benefits of and obstacles to men's inclusion *Distributional Impacts of Climate Change and Disasters* Matthias

Ruth,Northeastern University, US and ,2009-01-01 Climate change tends to increase the frequency and intensity of weather related disasters which puts many people at risk Economic social and environmental impacts further increase vulnerability to disasters and tend to set back development destroy livelihoods and increase disparity nationally and worldwide This book addresses the differential vulnerability of people and places introducing concepts and methods for analysis and illustrating the impact on local regional national and global scales The chapters in the first section set the stage by focusing on the relationship between climate change and disasters and by broadly exploring their economic and social aftermaths Further chapters explore particular impacts of climate change including the social political and even military conflicts that may arise over scarce natural resources as well as the effects on biodiversity and thus the natural environment Chapters in the last section discuss responses to climate change in terms of information sharing and preparedness adaptation and mitigation particularly the relevance of improving the role of markets through investment and insurance to face these challenges Researchers and policymakers involved in the study of climate change and disaster prevention will find this comprehensive volume of great interest *Cities, Slums and Gender in the Global South* Sylvia Chant,Cathy McIlwaine,2015-12-22

Developing regions are set to account for the vast majority of future urban growth and women and girls will become the majority inhabitants of these locations in the Global South This is one of the first books to detail the challenges facing poorer segments of the female population who commonly reside in slums It explores the variegated disadvantages of urban poverty and slum dwelling from a gender perspective This book revolves around conceptualisation of the gender urban slum interface which explains key elements to understanding women s experiences in slum environments It has a specific focus on the ways in which gender inequalities are can be entrenched but also alleviated Included is a review of the demographic factors which are increasingly making cities everywhere feminised spaces such as increased rural urban migration among women demographic ageing and rising proportions of female headed households in urban areas Discussions focus in particular on education paid and unpaid work access to land property and urban services violence intra urban mobility and political participation and representation This book will be of use to researchers and professionals concerned with gender and development urbanisation and rural urban migration **The Routledge Handbook of Gender and Development** Anne Coles,Leslie Gray,Janet Momsen,2015-02-20 The Routledge Handbook of Gender and Development provides a comprehensive statement and reference point for gender and development policy making and practice in an international and multi disciplinary context Specifically it provides critical reviews and appraisals of the current state of gender and development and considers future trends It includes theoretical and practical approaches as well as empirical studies The international reach and scope of the Handbook and the contributors experiences allow engagement with and reflection upon these bridging and linking themes as well as the examining the politics and policy of how we think about and practice gender and development Organized into eight inter related sections the Handbook contains over 50 contributions from leading scholars

looking at conceptual and theoretical approaches environmental resources poverty and families women and health related services migration and mobility the effect of civil and international conflict and international economies and development This Handbook provides a wealth of interdisciplinary information and will appeal to students and practitioners in Geography Development Studies Gender Studies and related disciplines

Gender Planning and Development Caroline Moser, 2012-10-12 Gender planning is not an end in itself but a means by which women through a process of empowerment can emancipate themselves Ultimately its success depends on the capacity of women's organizations to confront subordination and create successful alliances which will provide constructive support in negotiating women's needs at the level of household civil society the state and the global system Gender Planning and Development provides an introduction to an issue of primary importance and constant debate It will be essential reading for academics practitioners undergraduates and trainees in anthropology development studies women's studies and social policy

The Other Half of Gender Ian Bannon, Maria Correia, 2006-01-01 This book is an attempt to bring the gender and development debate full circle from a much needed focus on empowering women to a more comprehensive gender framework that considers gender as a system that affects both women and men The chapters in this book explore definitions of masculinity and male identities in a variety of social contexts drawing from experiences in Latin America the Caribbean and sub Saharan Africa It draws on a slowly emerging realization that attaining the vision of gender equality will be difficult if not impossible without changing the ways in which masculinities are defined and acted upon Although changing male gender norms will be a difficult and slow process we must begin by understanding how versions of masculinities are defined and acted upon

The Un Convention on the Elimination of All Forms of Discrimination Against Women and Its Optional Protocol Patricia Schulz, Ruth Halperin-Kaddari, Beate Rudolf, Marsha A. Freeman, 2023-01-27 This volume is the fully revised and updated version of the first comprehensive commentary on the Convention on the Elimination of All Forms of Discrimination against Women and its Optional Protocol It reflects the developments during the decade following the publication of the first edition in 2012 which has also seen a notable rise in individual complaints more than 85 ten new General Recommendations and six new inquiry procedures as well as numerous statements partly in conjunction with other UN human rights bodies The Convention is a key international human rights instrument and the only one exclusively addressed to women It has been described as the United Nations landmark treaty in the struggle for women's rights At a time when the backlash against women's human rights and the concept of gender based discrimination is increasingly challenged by governments and powerful societal actors the Commentary is an important instrument to hold all state powers to account on their international obligations under the Convention The Commentary analyses the interpretation of the Convention through the work of its monitoring body the Committee on the Elimination of Discrimination against Women It comprises detailed analyses of the Preamble and each article of the Convention and of the Optional Protocol including a separate chapter on the cross cutting substantive issue of

violence against women The sources relied on are the treaty language and the general recommendations concluding observations and case law under the Optional Protocol individual complaints and inquiries through which the Committee has interpreted and applied the Convention Each chapter is self contained but the Commentary is conceived of as an integral whole The book also includes an introduction which provides an overview of the Convention and its embedding in the international law of human rights as well as the most recent challenges to women s human rights worldwide Sport, Gender and Development Lyndsay M.C. Hayhurst,Holly Thorpe,Megan Chawansky,2021-12-10 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding and freely available to read online Sport Gender and Development brings together an exploration of sport feminisms to offer new approaches to research on Sport for Development and Peace SDP in global and local contexts **Gender, Society and the Humanities: A Global Perspective** Varsha V. Vaidya,Sarika Y. Dive,Shital P Mendhe,Bharti P. Maraskole,2025-01-04 Gender Society and the Humanities A Global Perspective the complex intersections of gender with social structures cultural norms and human expression across diverse societies This examines historical and contemporary gender roles power dynamics and the influence of gender in literature art politics and everyday life Drawing on interdisciplinary perspectives it delves into issues of identity equality and activism offering critical insights into global gender discourse By integrating perspectives from sociology anthropology and the humanities it fosters a deeper understanding of gender as a pivotal force shaping human experiences and social transformations worldwide

Grassroots Development ,1992 **Communicating Gender and Advocating Accountability in Global Development** Karin Wilkins,2016-01-26 Case studies of micro enterprise girls education and population programs suggest that our discourse limits our potential to conceive of development communication and gender outside of neoliberal ideologies Advocacy for global social justice demands a different accountability through critical research *New Frontiers in Feminist Political Economy* Shirin M. Rai,Georgina Waylen,2013-11-07 This volume brings together the work of outstanding feminist scholars who reflect on the achievements of feminist political economy and the challenges it faces in the 21st century The volume develops further some key areas of research in feminist political economy understanding economies as gendered structures and economic crises as crises in social reproduction as well as in finance and production assessing economic policies through the lens of women s rights analysing global transformations in women s work making visible the unpaid economy in which care is provided for family and communities and critiquing the ways in which policy makers are addressing or failing to address this unpaid economy **Fundamentals of Sustainability in Civil Engineering** Andrew Braham,2017-09-19 This book will provide a foundation to understand the development of sustainability in civil engineering and tools to address the three pillars of sustainability economics environment and society It will also include case studies in the four major areas of civil engineering environmental structural geotechnical and transportation and utilize the concepts found on the Fundamentals of Engineering FE exam It is intended for upper level civil engineering sustainability courses In

addition practical report writing and presentation giving will be proposed as evaluation metrics versus standard numerical questions and exam based evaluations found in most civil engineering courses

Gender Development And Health Oxfam Focus On Gender Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gender Development And Health Oxfam Focus On Gender has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gender Development And Health Oxfam Focus On Gender has opened up a world of possibilities. Downloading Gender Development And Health Oxfam Focus On Gender provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gender Development And Health Oxfam Focus On Gender has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gender Development And Health Oxfam Focus On Gender. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gender Development And Health Oxfam Focus On Gender. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gender Development And Health Oxfam Focus On Gender, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gender Development And Health Oxfam Focus On Gender has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gender Development And Health Oxfam Focus On Gender Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gender Development And Health Oxfam Focus On Gender is one of the best book in our library for free trial. We provide copy of Gender Development And Health Oxfam Focus On Gender in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gender Development And Health Oxfam Focus On Gender. Where to download Gender Development And Health Oxfam Focus On Gender online for free? Are you looking for Gender Development And Health Oxfam Focus On Gender PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Gender Development And Health Oxfam Focus On Gender. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.
