Gender In World History

**Merry E. Wiesner-Hanks, Urmi Engineer
Willoughby**

Gender In World History:

Gender in World History Peter N. Stearns, 2000 Completely updated to include with new chapters this is second edition is a fascinating exploration of what happens to established ideas about men and women and their roles when different cultural systems come into contact

Gender in World History Peter Nathaniel Stearns, 2006 Gender: A World History Susan Kingsley Kent, 2020-11-20 Gender exists in almost every society as a way of organizing its people Gender is used to assign certain responsibilities obligations and privileges to some and to deny them to others In *Gender A World History* Susan Kingsley Kent tells the story of this seemingly simple but in fact quite complex concept With historical perspective she critically examines our everyday understandings of women and men masculinity and femininity and sexual difference in general Central to this account is the conviction that gender is neither natural nor innocent What passes for masculinity and femininity in one society might not do so in another Even the passing of time can change what gender looks like in a particular culture Thinking about the history of gender can also shed light on other types of relations such as those between a government and its people between different social classes and between a colony and its colonizer Ranging from prehistory to the present this book presents a chronological picture of gender across the globe From Hatshepsut and the rise of patriarchy in the ancient world to the Bushido code of the samurai in wartime to Susan B Anthony and the women's rights movement in the United States to the gay and trans rights movements of today the force of gender in world history cannot be denied

Gender in World History Pamela McVay, 2014-09-15 Chesham a small market town in the valley of the River Chess between the beech clad Chiltern Hills in Buckinghamshire has a long history of light craft industry based on locally produced raw materials Early development had been confined to the floor of the valley resulting in a very long narrow town through which the High Street and its continuation was the only main road carrying all local and any through traffic The recent need to accommodate more through traffic required drastic treatment as the narrow confines of the valley prevented any bypass for the town centre the only solution was an inner relief road construction of which involved demolition of some of the older parts of the town This little volume illustrates by sequences of photographs of selected features how Chesham changed through the twentieth century

Gender in History Merry E. Wiesner-Hanks, 2021-11-01 A concise yet comprehensive account of the roles and influences of gender over the millennia featuring new and updated content throughout *Gender in History Global Perspectives Third Edition* explores the construction and evolution of gender in many of the world's cultures from the Paleolithic era to the COVID pandemic of the twenty first century Broad in geographic and topical scope this comprehensive volume discusses the ways families religions social hierarchies politics work education art sexuality and other issues are linked to various conceptions of gender Now organized chronologically rather than topically this extensively revised edition presents a wealth of up to date information based on the scholarship of the last decade New and expanded chapters offer insights on the connections between gender and key events and trends in world history including

domestication and the development of agriculture the growth of cities and larger scale political structures the spread of world religions changing ideas of race class and sexuality colonialism and imperialism capitalism wars revolutions and more

Written by a distinguished scholar in the field of women's and gender history this third edition of *Gender in History* Examines how gender roles were shaped by family life religious traditions various other institutions and how the institutions were influenced by gender Considers why gender variations developed in different cultures and in diverse social ethnic and racial groups within a single culture Addresses ideas in different cultures that shaped both informal societal norms and formalized laws Explores debates about the origins of patriarchy the development of complex gender hierarchies and contemporary movements for social change Discusses the gender implications of modern issues including the global pandemic and ongoing cultural and economic shifts Includes an accessible introduction to key theoretical and methodological issues and an instructor's website site with visual and written original sources

Gender in History Global Perspectives Third Edition is essential reading for undergraduate and graduate students in courses such as those on women's history women in world history and gender in world history and a valuable supplement for general survey courses within History and Women's and Gender Studies programs

A Companion to Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15

A Companion to Gender History surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women's history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language

Gender in History Merry E. Wiesner-Hanks, 2010-07-06

GENDER IN HISTORY Praise for the first edition Wiesner Hanks accomplishes a near impossible feat a review of what is known about the construction of gender and the character of women's lives in all known cultures over the course of human history Theoretically sophisticated and doing justice to the historical and cross cultural record yet assimilable by students

Choice *Gender in History* brilliantly explores the influence of gender constructs in political social economic and cultural affairs The remarkable cultural geographical and chronological range of Wiesner Hanks research is matched only by the sophistication nuance and clarity of her analysis This book offers a rare and valuable global perspective on gender roles in human history

Jerry H Bentley University of Hawaii Over the past two decades considerations of gender have revolutionized the study of history Yet most books on the subject remain narrowly focused on a specific time period or particular region of the world *Gender in History Global Perspectives Second Edition* continues to redress this inequity by providing a concise overview of the construction of

gender in many world cultures over a period stretching from the Paleolithic era to modern times Thoroughly updated to reflect current developments in the field the new edition features entirely new sections which address primates slavery colonialism masculinity transgender issues and other relevant topics As in the well received first edition material is presented thematically to reveal the connections between gender and structures such as the family economy law religion sexuality and the state Wiesner Hanks also investigates precisely what it meant to be a man or woman throughout history how these roles were shaped by various institutions and how they in turn were influenced by gender The author presents material within each chapter chronologically to highlight the ways in which gender structures have varied over time The new edition of Gender in History Global Perspectives offers rich insights into all that is currently known about gender roles throughout world history A companion website is available at www.wiley.com/go/wiesnerhanks

Women in World History Bonnie G. Smith, 2019-10-31 Women in World History brings together the most recent scholarship in women's and world history in a single volume covering the period from 1450 to the present enabling readers to understand women's relationship to world developments over the past five hundred years Women have served the world as unfree people often forced to migrate as slaves trafficked sex workers and indentured laborers working off debts Diseases have migrated through women's bodies and women themselves have deliberately spread religious belief and fervor as well as ideas They have been global authors soldiers and astronauts encircling the globe and moving far beyond it They have written classics in political and social thought and crafted literary and artistic works alongside others who were revolutionaries and reform minded activists Historical scholarship has shown that there is virtually no part of the world where women's presence is not manifest whether in archives oral testimonials personal papers the material record evidence of disease and famine myth and religious teachings and myriad other forms of documentation As these studies mount the idea of surveying women's past on a global basis becomes daunting This book aims to redress this situation and offer a synthetic world history of women in modern times

The Elgar Companion to Gender and Global Migration Natalia Ribas-Mateos, Saskia Sassen, 2022-12-13 This timely Companion traces the interlinking histories of globalisation gender and migration in the 21st century setting up a completely new agenda beyond Western research production Natalia Ribas Mateos and Saskia Sassen bring together 27 incisive contributions from leading international experts on gender and global migration uncovering the multitude of economies histories families and working cultures in which local regional national and global economies are embedded

A Primer for Teaching Women, Gender, and Sexuality in World History Merry E. Wiesner-Hanks, Urmi Engineer Willoughby, 2018-09-27 A Primer for Teaching Women Gender and Sexuality in World History is a guide for college and high school teachers who are teaching women gender and sexuality in history for the first time for experienced teachers who want to reinvigorate their courses for those who are training future teachers to prepare their own syllabi and for teachers who want to incorporate these issues into their world history classes Merry E Wiesner Hanks and Urmi Engineer Willoughby

present possible course topics themes concepts and approaches while offering practical advice on materials and strategies helpful for teaching courses from a global perspective in today's teaching environment for today's students In their discussions of pedagogy syllabus organization fostering students historical empathy and connecting students with their community Wiesner Hanks and Willoughby draw readers into the process of strategically designing courses that will enable students to analyze gender and sexuality in history whether their students are new to this process or hold powerful and personal commitments to the issues it raises

Companion to Women's Historical Writing M. Spongberg, A. Curthoys, B. Caine, 2016-04-30 This A-Z reference work provides the first comprehensive reference guide to the wide range of historical writing with which women have been involved particularly since the Renaissance The Companion covers biographical writing travelogue and historical fictions broadening the concept of history to include the forms of writing with which women have historically engaged The focus is on women writing in English internationally but historical and historiographical traditions from beyond the English speaking world are also examined Brief biographies of individual writers are included

Teaching World History in the Twenty-first Century: A Resource Book Heidi Roupp, 2015-02-12 This practical handbook is designed to help anyone who is preparing to teach a world history course or wants to teach it better It includes contributions by experienced teachers who are reshaping world history education and features new approaches to the subject as well as classroom tested practices that have markedly improved world history teaching

Gendering Global Humanitarianism in the Twentieth Century Esther Möller, Johannes Paulmann, Katharina Stornig, 2020-08-24 This volume is interesting both because of its global focus and its chronology up to the present it covers a good century of changes It will help define the field of gender studies of humanitarianism and its relevance for understanding the history of nation building and a political history that goes beyond nations Glenda Sluga Professor of International History and ARC Kathleen Laureate Fellow at the University of Sydney Australia This volume discusses the relationship between gender and humanitarian discourses and practices in the twentieth century It analyses the ways in which constructions norms and ideologies of gender both shaped and were shaped in global humanitarian contexts The individual chapters present issues such as post genocide relief and rehabilitation humanitarian careers and subjectivities medical assistance community aid child welfare and child soldiering They give prominence to the beneficiaries of aid and their use of humanitarian resources organizations and structures by investigating the effects of humanitarian activities on gender relations in the respective societies Approaching humanitarianism as a global phenomenon the volume considers actors and theoretical positions from the global North and South from Europe to the Middle East Sub Saharan Africa South and South East Asia as well as North America It combines state and non state humanitarian initiatives and scrutinizes their gendered dimension on local regional national and global scales Focusing on the time between the late nineteenth century and the post Cold War era the volume concentrates on a period that not only witnessed a major expansion of humanitarian action worldwide but also saw fundamental changes in

gender relations and the gradual emergence of gender sensitive policies in humanitarian organizations in many Western and non Western settings **The Oxford Handbook of Gender, War, and the Western World since 1600** Karen

Hagemann,Stefan Dudink,Sonya O. Rose,2020-10-30 To date the history of military and war has focused predominantly on men as historical agents disregarding gender and its complex interrelationships with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of war and the military and were transformed by them Covering the major periods in warfare since the seventeenth century the Handbook focuses on Europe and the long term processes of colonization and empire building in the Americas Asia Africa and Australia Thirty two essays written by leading international scholars explore the cultural representations of war and the military war mobilization and war experiences at home and on the battle front Essays address the gendered aftermath and memories of war as well as gendered war violence Essays also examine movements to regulate and prevent warfare the consequences of participation in the military for citizenship and challenges to ideals of Western military masculinity posed by female gay and lesbian soldiers and colonial soldiers of color The Oxford Handbook of Gender War and the Western World since 1600 offers an authoritative account of the intricate relationships between gender warfare and military culture across time and space *Gender and the Politics of History* Joan Wallach Scott,1999 An interrogation of the

uses of gender as a tool for cultural and historical analysis The revised edition reassesses the book s fundamental topic the category of gender In arguing that gender no longer serves to destabilize our understanding of sexual difference the new preface and new chapter open a critical dialogue with the original book From publisher description *Gender in the Political Science Classroom* Ekaterina M. Levintova,Alison Kathryn Staudinger,2018-07-12 A collection of studies examining the role of gender in teaching and learning in the traditionally male dominated field of political science Gender in the Political Science Classroom looks at the roles gender plays in teaching and learning in the traditionally male dominated field of political science The contributors to this collection bring a new perspective to investigations of gender issues in the political behavior literature and feminist pedagogy by uniting them with the Scholarship of Teaching and Learning SoTL The volume offers a balance between the theoretical and the practical and includes discussions of issues such as curriculum class participation service learning doctoral dissertations and professional placements The contributors reveal the discipline of political science as a source of continuing gender based inequities but also as a potential site for transformative pedagogy and partnerships that are mindful of gender While the contributors focus on the discipline of political science their findings about gender in higher education are relevant to SoTL practitioners other social science disciplines and the academy at large A bold and compelling collection that asks important questions about the ways in which the teaching of Political Science reproduces gender inequities Aeron Haynie **Mapping Gendered Routes and Spaces in the Early Modern World**

Merry E. Wiesner-Hanks,2016-03-03 How did gender figure in understandings of spatial realms from the inner spaces of the

body to the furthest reaches of the globe How did women situate themselves in the early modern world and how did they move through it in both real and imaginary locations How do new disciplinary and geographic connections shape the ways we think about the early modern world and the role of women and men in it These are the questions that guide this volume which includes articles by a select group of scholars from many disciplines Art History Comparative Literature English German History Landscape Architecture Music and Women s Studies Each essay reaches across fields and several are written by interdisciplinary groups of authors The essays also focus on many different places including Rome Amsterdam London and Paris and on texts and images that crossed the Atlantic and the Mediterranean or that portrayed real and imagined people who did Many essays investigate topics key to the spatial turn in various disciplines such as borders and their permeability actual and metaphorical spatial crossings travel and displacement and the built environment

Illegal Migration and Gender in a Global and Historical Perspective Marlou Schrover, 2008 This incisive study combines the two subjects and views the migration scholarship through the lens of the gender perspective

World Histories From Below Antoinette Burton, Tony Ballantyne, 2016-09-08 An emphasis on global structures and forces tends to privilege elites and their accomplishments especially in the grand narratives of student textbooks This book is an antidote to such studies and places ordinary people and subordinated subjects at the heart of its analysis arguing that disruption and dissent are overlooked agents of historical change The contributors range from leaders in the field to rising stars and cover themes including religious conversions political revolutions labor struggles body politics Each chapter takes a global view of the topic at hand creating an accessible study of its subject from 1750 to the present day World Histories From Below has the potential to refocus our entire approach to teaching world history

A Companion to Global Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-12-07 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent trends in gender history including material culture sexuality transnational developments

science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field
