YEAR 11 Maths Quest 11 Mathematics Methods Teacher Edition has been specifically designed for VCE Mathematics Units 1 & 2. AUSTRALIA'S LARGEST MATHEMATICS PROJECT Maths Quest is a quest to uncover Australia's best teaching ideas. All materials published under the Maths Quest banner have been developed in close consultation with Australia's mathematics teachers to ensure we deliver products that work in the classroom. Surveys of every secondary school in Australia took place through 1997 and 1998 to determine the topics and features mathematics teachers would like to see. This award winning series is the result of your feedback. Each Maths Quest chapter is put through rigorous checks, reviews and trials to ensure all exercises are well graded with many skill and application problems including multiple choice questions, worked examples are extremely clear and match exercises exactly, a good balance of real life application questions, investigations and career profiles exists, that summary and chapter review exercises are comprehensive, the content and approach match the curriculum, technology applications have been fully integrated where appropriate. Maths Quest texts are full colour and new graphics and stunning colour photographs combine to create real world links for students. Colour panels, heading and icons help students navigate more easily through the text and make the important connections. THE ULTIMATE TEACHER EDITIONS Imagine a teacher edition that includes all the colour pages from the student book, has answers printed next to questions to help teacher more easily follow student progress in the classroom, show annotated course information, contains a readily accessible work program with curriculum links that highlight for teacher with aspects are being covered, contains a detailed curriculum grid to match the content with the prescribed course outcomes.
