Learning For Leadership Interpersonal And Intergroup Relations:

Learning for Leadership A.K. Rice, 2018-05-08 This book presents an assumption that the primary task of the residential conferences is to provide those who attend with opportunities to learn about leadership discussing the role of director and interpersonal and intergroup relations within the staff group **Learning for Leadership** Albert Kenneth Rice, 2002

Learning for leadership Albert K. Rice, 1973 Organizational Behaviour , 2001 **Learning in Groups** David Jaques, 2000 The book rather than a formal lectures or presentations allows students to have greater scope to negotiate meaning and express themselves and their own ideas It also helps them to establish far more effective relationships not only with their tutors and trainers but with each other It can also play a central role in developing key professional skills such as listening presenting ideas persuasion **The Routledge Companion to Leadership** John Storey, Jean Hartley, Jean-Louis Denis, Paul 't Hart, David Ulrich, 2016-09-13 Leadership has never been more important and divisive than it is today The idea and discourse of the leader remains a critical factor in organizational and societal performance but there is evident tension between the persistent focus on the critical importance of individual leaders and the increasing emphasis on collective leadership The Routledge Companion to Leadership provides a survey of the contentious and dynamic discipline of leadership This collection covers key themes in the field including advances in leadership theory leadership in a range of contexts and geographies leadership failure leadership process and leadership development Topics range from micro studies to wider political analyses of leadership taking in unusual but important aspects such as portrayals of leadership in architecture media and science fiction Contributions from 61 internationally renowned authors from 16 countries make available the full range of perspectives approaches and insights on the idea of leadership Providing both a social sciences and a psychological approach these go beyond common themes to offer diverse perspectives on such topics as emotion and leadership portrayals of leadership This volume situates leadership debates and evidence within contemporary leadership crises while ensuring that the explorations of the issues are of enduring relevance With wide and critical coverage of the key topics and potent contextualization of themes in current events The Routledge Companion to Leadership is the ideal resource for graduate study in leadership Learning from Action R D Hinshelwood, Luca Mingarelli, 2022-07-28 Since the early 1990s Enrico Pedriali with R D Hinshelwood organised workshops in Italy known as the learning from action workshops This novel approach evolved from applying the principles of therapeutic communities to a group relations form of experiential conference The group relation tradition however does not focus particularly on mental health organisations and tends to focus on senior management issues of leadership and authority In contrast the learning from action workshops are tailored to the care workers engaged in the direct work in particular for those working with clients and patients with significant problems with verbal and symbolic communication The workshops also include an element of research into the unconscious messaging systems employed in making relations which contribute to therapeutic and other mental health care services

There are also chapters on a related form of workshop the living and learning experience which was established primarily for learning about therapeutic communities which bring further insight to working practices The book brings together a community of 21 authors Giada Boletti Louisa Diana Brunner Davide Catullo Heather Churchill John Diamond Donna M Elmendorf Giovanni Foresti Rex Haigh R D Hinshelwood Yuko Kawai Eriko Koga Jan Lees Simona Masnata Luca Mingarelli Gilad Ovadia Mario Perini Barbara Rawlings Antonio Sama Edward R Shapiro Lili Valko and Zsolt Zalka It will be a must read for those working in mental health care The information within will be of use to those new to the profession for whom there is often very little preparation or reading material and also to more senior members to use not only for their own development but also in training and research activities in mental health
