Learning To Live From Gospels:

Learning to Live From the Gospels Eugenia Price, 2021-04-27 Here is the good news of the Gospels In the light of Eugenia Price's revealing dynamic insight as she searches for God's own answers for today's readers The familiar Gospel words breathe with new life as she cuts through the superficialities of those who attempt to deemphasize the Bible and draws up sharp guidelines which twentieth century Christians can follow Each of Miss Price's favorite Gospel verses is included in the book followed by her reflections on them Her exposition of the beloved King James passages rings with authenticity and poetic authority In the Preface to *Learning To Live From The Gospels* Miss Price writes You will find little or no information here concerning who wrote and who did not write the Gospels as we know them You will find no scientific verification of the miracles not even a defense of them God's activities need no defense from us There are no scholarly apologetics no exegeses of the more obscure passages of Scripture I do not know how to do any of this I find it enough to attempt to learn how to live by the passages I do understand Having met Christ when I was well along on my earthly journey what has held my interest from the beginning of my life with Him has not been how to analyze or criticize the Bible but how to learn to live from it I know of no better place to learn how to live than from the four provocative Gospel accounts of the earthly life of the God who loved us enough to become one of us *How to live; or, Youth's gospel* D. T, 1862 **Learning to Live from the Parables**

Morris M. Womack, 1995 *Gospel 101* Jeff Dodge, 2018-08-06 This small group study and practical resource on systematic theology invites readers to develop a biblical literacy to share the gospel simply and effectively Designed for Christians with gospel questions ready to put their faith to action and grow in biblical knowledge *Gospel 101* explains the foundational gospel truth with digestible *The Gospels and Christian Life in History and Practice* Richard Valantasis, Douglas K. Bley, Dennis C. Haugh, 2009 *The Gospels and Christian Life in History and Practice* approaches the four canonical gospels in an engaging way as handbooks for religious formation through communal practices The book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of Jesus and the different systems of organization and leadership each gospel promulgated Providing necessary background information for understanding the social intellectual and religious setting for each gospel the authors then build on these foundations to illustrate the nature and scope of the community's practices Book jacket

The Rest of the Gospel Dan Stone, David Gregory, 2014-04-01 Do I have life more abundant That s a question millions of Christians have asked down through the ages Dan Stone asked that question during a time of spiritual frustration in his own life and God answered by showing Dan he had been living only a part of the gospel message Dan s search led him to discover the truth of Christ in you as the rest of the gospel that most Christians overlook Readers who are hungry for a deeper experience with God will resonate with Dan s discovery of the rest of the gospel which is indeed rest for everyone who is willing to finally let go and let God *Preaching the Gospel in the Way of Life* Witness Lee, 2002

Gospel 201 Jeff Dodge, 2025-08-04 Jeff Dodge s Gospel 201 helps readers take the next step in growing and thriving in their relationship with Jesus *Gospel 101 for Teens* Jeff Dodge, 2024-08-12 Gospel 101 for Teens helps teens deepen their understanding of the gospel expand their fluency in talking about the gospel and grow confidence in sharing the gospel with others Being Desperate and Living Uniquely for the Gospel Witness Lee, 1987 The Word on the Wind Alison Morgan, 2013-03-07 The average age of churchgoers in Britain is now 47 Almost every denomination is experiencing steady decline How sure can we be that we are still offering something people want to hear Alison Morgan identifies four clear reasons to be confident 1 The gospel still speaks to confused teens and weary sceptics By embracing doubts and welcoming questions it remains open to us to present something which answers people s real needs 2 The word of truth and the Spirit of power still exercise authority and compel attention Alison s own experience of ministry in the UK and abroad provides illustrations 3 Spiritual gifts given not to excite individuals but in order to renew the church for its core task of mission are powerfully present and widely recognised and practised 4 In a time of rapid cultural change new expressions of church are constantly emerging this is necessary to guard against vital spirituality sliding into drab religion

Biblical Narrative Learning Tung Chiew Ha, 2015-10-02 Biblical narrative learning is a non critical educational approach for Christian communities with diverse learning backgrounds involving three sets of movement inquire and invent interpret and imagine inspire and imitate and impart It is grounded in humankind s universal capacity to teach and learn through stories and built on practices in narrative learning along with biblical narratives The Gospel of John provides a model for this interpretive process that continues the teaching of living in a loving relationship with God and one another John uses many literary

devices to enhance an affective and reflective learning The literary devices create the familiar strange effect John s narrative fosters remembrance of the Story and guides the learner to adequate faith in God It inculcates adequate faith to wait in suspense while the Jesus Story and our stories when they are remembered create new understanding and transform the life experiences of the person Everlasting Gospel ,1901 Chaplains' Audio-visual Catalog ,1978 The Synaptic Gospel Christopher D. Rodkey,2012-01-06 In this book Christopher D Rodkey asks how the brain worships and responds by engaging ideas from neurological science philosophy ritual theory and religious education From this exploration two new paradigms for pastoral ministry emerge First Rodkey proposes a pan generational principle advocating an empathy based approach for fostering faith communities a principle that is radically inclusive to all generations Second Rodkey argues that worship and religious education should converge to include a shared goal of teaching individuals to live liturgically In The Synaptic Gospel Rodkey argues that living and thinking liturgically are learned behaviors that may be promoted through pan generational worship The book concludes with a special emphasis on practical suggestions for youth ministry The Synaptic Gospel will prove to be a useful theoretical tool for pastors religious educators youth ministers church music professionals and seminary students The Gospel of Resilient Living Bernard H Hamilton,2017-02-28 This is a book for both individual reading and small group studies in the home and religious settings The Gospel of Resilient Living is a book about bouncing back from various setbacks that each of us face during the course of a lifetime From temporary defeats to overwhelming odds of disappointment and despair this book will open your eyes to the subtle ways we sabotage our own lives when adverse events come to visit but how we can bounce back no matter what It will help you see how fear and doubt is a constant enemy to fight against on our quest to springing back to the dreams and goals we were intended to pursue while inspiring us to never give up on the path to unrelenting success The Gospel of Resilient Living will give you the tools you ll need to bounce back to the person God created you to ultimately be in order to pursue the dreams you were created to achieve The good news of a setback is that you can resiliently bounce back and this book will show you how *Yoking up to the Gospel Plow to Learn About Jesus Christ* Robert L.
