Contemporary Authors Gale Group, 2003-05 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers The Shadow of the Precursor Nena Bierbaum, 2011-10-18 A shadow in its most literal sense is the projection of a silhouette against a surface and the obstruction of direct light from hitting that surface For writers and artists the shadows cast by their precursors can be either a welcome influence one consciously evoked in textual production via homage or bricolage or can manifest as an intrusive haunting prohibitive presence one which threatens to engulf the successor Many writers and artists are affected by an anxious and ambiguous relationship with their precursors while others are energised by

this relationship The role that intertextuality plays in creative production invites interrogation and this publication explores a range of conscious and unconscious influences informing relations between texts and contexts between predecessors and successors The chapters revolve around intertextual influence ranging from conscious imitation and intentional allusion to Julia Kristeva's idea of intertextuality Do all texts contain references to and even quotations from other texts Do such references help shape how we read This multidisciplinary work includes chapters on the long shadows cast by Shakespeare Dante Scott Virgil and Ovid the shadows of colonial precursors on postcolonial successors the shadows cast over Kipling and Murdoch and chapters on other writers dramatists and filmmakers and their relationships with precursor figures With its focus on intertextual relationships this book contributes to the thriving fields of adaptation studies and studies of intertextuality *AB Bookman's Weekly*, 1995 The National Directory of Editors and Writers Elizabeth Lyon, 2005-02-22 This comprehensive guide features America's top editors and writers for hire serving the needs of nonfiction and fiction writers publishers literary agents corporations companies educational institutions and non profits **Sharing the Harvest** Elizabeth Henderson, Robyn Van En, 2007 Looks at partnerships between local small farms and nearby consumers who become members or subscribers in support of the farm offering advice on acquiring land organizing handling the harvest and money and legal matters **The Cambridge Companion to Women in Music since 1900** Laura Hamer, 2021-05-06 This Companion explores women's work in music since 1900 across a broad range of musical genres and professions including the classical tradition popular music and music technology The crucial contribution of women to music education and the music industries features alongside their activity as composers and performers The book considers the gendered nature of the musical profession in areas including access to training gendered criticism sexualization and notions of gender appropriate roles or instruments It covers a wide range of women musicians such as Marin Alsop Grace Williams Billie Holiday Joni Mitchell and Adele Each thematic section concludes with a contribution from a practitioner in her own words reflecting upon the impact of gender on her own career Chapters include suggestions for further reading on each of the topics covered providing an invaluable resource for students of Feminist Musicology Women in Music and Music and Gender

Forthcoming Books Rose Arny, 2000 Groove Theory Tony Bolden, 2020-10-21 Tony Bolden presents an innovative history of funk music focused on the performers regarding them as intellectuals who fashioned a new aesthetic Utilizing musicology literary studies performance studies and African American intellectual history Bolden explores what it means for music or any cultural artifact to be funky Multitudes of African American musicians and dancers created aesthetic frameworks with artistic principles and cultural politics that proved transformative Bolden approaches the study of funk and black musicians by examining aesthetics poetics cultural history and intellectual history The study traces the concept of funk from early blues culture to a metamorphosis into a full fledged artistic framework and a named musical genre in the 1970s and thereby Bolden presents an alternative reading of the blues tradition In part one of this two part book Bolden undertakes

a theoretical examination of the development of funk and the historical conditions in which black artists reimagined their music In part two he provides historical and biographical studies of key funk artists all of whom transfigured elements of blues tradition into new styles and visions Funk artists like their blues relatives tended to contest and contextualize racialized notions of blackness sexualized notions of gender and bourgeois notions of artistic value Funk artists displayed contempt for the status quo and conveyed alternative stylistic concepts and social perspectives through multimedia expression Bolden argues that on this road to cultural recognition funk accentuated many of the qualities of black expression that had been stigmatized throughout much of American history *Eyes of a Real Estate Professional* RJ Salerno,2025-08-07 The 2nd Edition of *Eyes of a Real Estate Professional* by RJ Salerno Originally released in 2018 *Eyes of a Real Estate Professional* quickly became a trusted guide for aspiring agents and savvy entrepreneurs alike Now RJ Salerno returns with a fully updated 2nd Edition refined for today's digital first fast moving real estate market Whether you're brand new to the industry or a seasoned pro looking to sharpen your edge this powerful edition delivers real world insights practical tools and forward thinking strategies for success Explore timeless fundamentals alongside modern tactics for Choosing the right brokerage Leveraging TikTok Instagram and video tours Navigating short term rental laws and Airbnb shifts Thriving in remote and hybrid deal environments Developing the mindset of a resilient purpose driven agent Written with entrepreneurial wisdom and a unique metaphysical perspective this book is more than a how to it's a blueprint for building a real estate career with clarity confidence and vision The industry has changed Are you ready to evolve with it *Incidental Racialization* Yung-Yi Diana Pan,2017-07-03 Based on author's thesis doctoral University of California Irvine 2012 issued under title Learning to become a lawyer of color Asian American and Latino law students negotiate ambitions expectations and obligations
