Jones, 2009-12-04 *TRAVELLER WEDDING* is narrated by a nomadic woman called Christine who is furious at the release of a violent videogame about a traveller wedding for the Christmas market **The Foundling** William Flores, 2009-11 The

Foundling Journey of a Street Child is a story about both tragedy and triumph It shows how although life for a child might

start off hard cold and present obstacles seemingly insurmountable good health and happiness can ultimately still be obtained On a deeper level it is an intimate look at some of the darkest times in the life of one abandoned and neglected child who turned to the streets for survival to meet his basic human needs Unlike most contemporary writings on this subject though this incredible story not only makes clear the criminal activities and dysfunctional life styles bred in the belly of an urban underworld it demonstrates how his street smarts and well honed survival skills took one boy literally from the park bench to Park Avenue The Foundling is a fantastic story of how one child s commitment to live by any means necessary eventually led him to a very successful and fullfilled work and family life This qualification can only be told by him since its based on his true life history as a young boy running from an unfair insensitive and callous foster care system and teenager looking for love and acceptance in all the wrong places to a young man finding true freedom and joy in life beyond his wildest imagination

Roads of Uncertainty Subhash C. Biswas,2021-12-13 This is a story of a little boy growing up in a remote village of Bengal in pre independent India Born to a rich family the boy Nimchand alias
