# Leaves Of Grass And Selected Prose

**Edwin Harold Eby**

## Leaves Of Grass And Selected Prose:

**Leaves of Grass and Selected Prose** Walt Whitman, Lawrence Buell, 1981-01-01 Walt Whitman 1819-92 approached his poetic career with high expectations. He dared to hope that he might become the poet of America. For many years the reception was cool enough to shake even Whitman's boundless optimism. But the twentieth century has justified him. We now recognize Whitman not only as a major writer but as unique among American poets for his innovativeness for his influence on world literature and for the fullness with which he expressed American values. Lawrence Buell from the introduction. Donated by Prabu Vasan. **Leaves of Grass and Selected Prose** Walt Whitman, Ellman Crasnow, C. W. E. Bigsby, 1994 Provides the text of Whitman's famous collection of poetry in addition to four selected prose works and some critical commentary.

**Leaves of Grass and Selected Poems and Prose** Walt Whitman, 2014-08-20 From A to Z the Penguin Drop Caps series collects 26 unique hardcovers featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration whose work has appeared everywhere from Tiffany Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an A for Jane Austen's *Pride and Prejudice*, a B for Charlotte Brontë's *Jane Eyre*, and a C for Willa Cather's *My Antonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. W is for Whitman. When Walt Whitman self-published his *Leaves of Grass* in July 1855, he altered the course of literary history. One of the greatest masterpieces of American literature, it redefined the rules of poetry while describing the soul of the American character. Throughout his life, Whitman continuously revised, expanded, and republished *Leaves of Grass*, but the 1855 original marked Whitman's fresh and bold arrival, greeted by Ralph Waldo Emerson as the beginning of a great career. This volume, specially compiled for Penguin Drop Caps, will also include a range of additional popular poems, including selections from Calamus, *Crossing Brooklyn Ferry*, and *Drum Taps*, as well as Whitman's 1855, 1856, and 1876 prefaces and *Democratic Vistas*.
