Paperbound Books in Print ,1992 **Lectionary Worship Workbook, Series II, Cycle C** Wayne H. Keller,2000-06 The most impressive thing about Wayne Keller s body of ideas for worship throughout the Christian Year is his boldness He is bold in demanding that we his colleagues in liturgical leadership plan worship that has to do with the reality of our congregations experience in the world rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week He is bold in challenging us to bring that real world with its pains and its pleasures its hungers and its feasts its beauty and its ugliness to exposure before the living God And he is bold in helping us shine the strong exposing light of the transforming Word on our real lives and on that real world so that we may move beyond planning worship as a nice safe feel good routine from which we depart the same people we were when we arrived We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship Thank God for Wayne Keller and for his deep respect for the central act of the Christian community the blessed and life transforming experience of the worship of God Richard Avery and Donald Marsh Port Jervis New York Wayne Keller s method creates not only a contemporary appeal but also effects a congregational involvement so necessary today within the liturgical context His approach is fresh and practical and yet a reflection consistently of a solid liturgical and homiletical background Keller has the ability to appeal to the everydayness of congregational experience Donald Macleod Francis L Patton Professor Emeritus Princeton Theological Seminary The good humor of Wayne Keller s work helps us feel at home in our imperfect world and feel more empathy for the rough edges of others and ourselves Wayne s work encourages hope and faith with the way we are Doug Adams Professor of Christianity and the Arts Pacific School of Religion and Graduate Theological Union A cascade of insights ideas suggestions and plans for stimulating the working pastor s imagination and guiding in worship planning Robert Coote Professor San Francisco Theological Seminary Editor Mustard Seed Churches Wayne Keller elevates us to an authentic bring your warts and smiles encounter with the living God a remarkable year round resource for the entire worship team Paul Hackett Former pastor and member First Presbyterian Church Puyallup Washington Keller says I have seen people bored to death in worship seemingly because they come to worship as spectators not as participants For me no spectators are allowed Soren Kierkegaard s analogy of worship as drama has guided my thinking and planning Wayne H Keller graduated from Monmouth College in Monmouth Illinois and Pittsburgh Theological Seminary He has served
